Amazon Redshift: The Definitive Guide

Rajesh Francis, Rajiv Gupta, Milind Oke, 2023-10-03. Amazon Redshift powers analytic cloud data warehouses worldwide from startups to some of the largest enterprise data warehouses available today. This practical guide thoroughly examines this managed service and demonstrates how you can use it to extract value from your data immediately rather than go through the heavy lifting required to run a typical data warehouse. Analytic specialists Rajesh Francis, Rajiv Gupta, and Milind Oke detail Amazon Redshift's underlying mechanisms and options to help you explore out-of-the-box automation. Whether you're a data engineer who wants to learn the art of the possible or a DBA looking to take advantage of machine learning-based auto tuning, this book helps you get the most value from Amazon Redshift. By understanding Amazon Redshift features, you'll achieve excellent analytic performance at the best price with the least effort. This book helps you build a cloud data strategy around Amazon Redshift as a foundational data warehouse. Get started with Amazon Redshift with simple-to-use data models and design best practices. Understand how and when to use Redshift Serverless and Redshift provisioned clusters. Take advantage of auto tuning options inherent in Amazon Redshift and understand manual tuning options. Transform your data platform for predictive analytics using Redshift ML and break silos using data sharing. Learn best practices for security, monitoring, resilience, and disaster recovery. Leverage Amazon Redshift integration with other AWS services to unlock additional value.

Diamond Painting for Newbies* (*and not-so-newbies): A comprehensive guide to all things

diamond painting Laura Gillenwater, 2024-05-15. Welcome to your new hobby: diamond painting! Diamond painting is an easy, fun, sparkly, and often very inexpensive hobby. It's a hobby that almost anyone can do, from young children to the elderly. Whether you're a newbie or you're not so new to diamond painting, if you're looking for one of the most, if not the most, comprehensive ebooks about diamond painting currently on the market, this is the one you want. This ebook covers in detail and with lots of pictures everything you need to know about diamond painting, including what diamond painting is, its history, and its benefits. What's in a typical diamond painting kit? An overview of the diamond painting process, how and where you can buy a diamond painting kit that's best for you, finding and setting up your work area, setting up your diamond painting kit so you can begin working on it, kitting up doing the diamond painting itself, including tips, techniques, and recommendations, fixing and sealing your finished diamond painting, putting away your various diamond painting supplies after you're done, kitting down, dealing with your completed painting, including storing, framing, mounting, hanging, gifting, donating, and selling it, and doing advanced diamond painting such as making a kit from scratch and/or using leftover drills to make free-hand art. There's

also a wealth of helpful resources in the book's Appendix including a glossary of diamond painting terms and acronyms a troubleshooting section with links to where in the book you can find solutions for various diamond painting issues lists of resources for learning more about diamond painting including videos websites social media groups channels apps etc various useful charts and calculations you might want or need a shopping list of common and less common items you might want to buy to enhance your diamond painting experience and a link to free printable diamond painting log sheets for creating your own logbook These log sheets allow you to track more things about each diamond painting project than any others out there the author could find And the book's interactive Table of Contents allows you to quickly get to the info you need All of this information is provided in a friendly easy to understand way written by an author with over 30 years of instructional writing and editing experience
