*Valuation* McKinsey & Company Inc., Tim Koller, Marc Goedhart, David Wessels, 2005-08-05 Hailed by financial professionals worldwide as the single best guide of its kind *Valuation* Fourth Edition is thoroughly revised and expanded to reflect business conditions in today's volatile global economy. *Valuation* provides up-to-date insights and practical advice on how to create, manage, and measure an organization's value. Along with all new case studies that illustrate how valuation techniques and principles are applied in real-world situations, this comprehensive guide has been updated to reflect the events of the Internet bubble and its effect on stock markets, new developments in academic finance, changes in accounting rules, both U.S. and IFRS, and an enhanced global perspective. This edition contains the solid framework that managers at all levels, investors, and students have come to trust.

**Intermediate Accounting** Donald E. Kieso, Jerry J. Weygandt, Terry D. Warfield, 2022-04-26 *Intermediate Accounting* by Donald Kieso, Jerry Weygandt, and Terry Warfield has always been and continues to be the gold standard. Through significant updates, the 18th Edition presents a refreshed, accessible, and modern approach with new perspectives that help connect students to the what, the why, and the how of accounting information. In the intermediate accounting course, it can be difficult for students to understand the technical details and retain and recall core course topics. To move beyond basic understanding, students work through new integrated practice right at the point of learning and high-quality assessment at varying levels, helping them to learn concepts more efficiently and create connections between topics and real-world application. Throughout the course, students also work through various hands-on activities, including Critical Thinking Cases, Excel Templates, and Analytics in Action problems, all within the chapter context. These applications help students develop an accounting decision-making mindset and improve the professional judgement and communication skills needed to be successful in the profession. With *Intermediate Accounting* 18th Edition, you will be able to spark efficient and effective learning, help create the bridge to student success, and inspire and prepare students to be the accounting professionals of tomorrow.

**Intermediate Accounting, Volume 1** Donald E. Kieso, Jerry J. Weygandt, Terry D. Warfield, 2019-04-16 This is the unbound loose leaf version of *Intermediate Accounting* 17th Edition Volume 1. This book is written by industry thought leaders Kieso, Weygandt, and Warfield, and is developed around one simple proposition: create great accountants. Upholding industry standards, this edition incorporates new data analytics content and up-to-date coverage of leases, revenue recognition, financial instruments, and US GAAP/IFRS. While maintaining its reputation for accuracy, comprehensiveness, and accessibility, *Intermediate Accounting* drives results by helping students build professional competencies through reliable problem material.

**Intermediate Accounting IFRS** Donald E. Kieso, Jerry J. Weygandt, Terry D. Warfield, 2020-07-08 Essential knowledge of International Financial Reporting Standards for students of global accounting. This important work provides the tools global accounting students need to understand international financial reporting standards (IFRS) and how they are applied in practice. This text emphasizes fair value, proper accounting for

financial instruments and new developments in international accounting. By presenting IFRS in light of current accounting practice this book helps students gain practical knowledge of the topic that they can apply as they advance into their global accounting careers. With this revised and updated Fourth Edition students will develop a firm conceptual understanding of IFRS as well as the ability to integrate their learning through practical exercises. Throughout this text Global Accounting Insights highlight the important differences that remain between IFRS and U.S. GAAP discussing the ongoing joint convergence efforts to resolve them. Comprehensive, up to date and accurate Intermediate Accounting IFRS includes proven pedagogical tools designed to help students learn more effectively. Comprehensively covers the latest International Financial Reporting Standards and how they are applied in practice. Takes a comparative approach to help students understand the differences between IFRS, U.S. GAAP and other important standards. Emphasizes practical application of knowledge with end of chapter Review and Practice sections. Provides authoritative references and citations to ensure content reliability and provide opportunities for further study. Includes access to video walkthroughs, interactive content and digital resources to support student engagement and ensure positive learning outcomes. As IFRS gains broad acceptance around the world students of global accounting will need to be intimately familiar with these standards and prepared to keep up with the rapid changes in the international environment. Intermediate Accounting IFRS answers to these pressing needs making it the clear choice for accounting courses at the intermediate level.
