Have you ever wanted accessible introductions to the key figures of Christian history In this book two expert authors draw on biblical scholarship to bring Jesus and Paul and their worlds vividly to life Jesus and His World Jesus Christ is probably the single most influential figure in world history but who was this preacher from Nazareth Can we be sure he existed And if he did what was the world like in which he lived Placing Jesus firmly in the Jewish world of 1st century Palestine Peter Walker explores the religious and social background to his life the Jewish expectations of a messiah Jesus ministry and teaching and helps readers interpret Jesus radical mission and the way he related to the world around him Paul and His World We know little about Paul yet he has had a greater impact on the development of Christianity than any other person except Christ For some his influence has been largely negative For others he is simply the greatest mind in Christian history Stephen Tomkins argues that Paul would have been quite at home with such a mixed reception Despite enjoying a degree of hero worship in his lifetime he was also more reviled than any other Christian and his Christian life was a constant arduous missionary journey of shipwrecks prison mob violence and the depressing politics of church life This is a lively and lucid portrayal of the man behind the controversy and the drama [Christianity: A Very Short Introduction](#) Linda Woodhead,2004-11-25 At a time when Christianity is flourishing in the Southern hemisphere but declining in much of the West thisVery Short Introduction offers an important new overview of the world s largest religion Exploring the cultural and institutional dimensions of Christianity and tracing its course over two millennia this book provides a fresh lively and candid
