And like its sister publication Baseball Prospectus it's written with a knowing dry wit that gets under the skin of America's most popular spectator sport. Compared by The New York Times Magazine to Bill James the baseball statistics guru Aaron Schatz is revolutionizing the world of football statistics. In just two years his Web site FootballOutsiders.com is by a huge margin the Web's best independent football site writes Gregg Easterbrook of NFL.com. Salon calls it a must for anyone interested in going beyond. This guy has more yards so he must be better. Now Schatz and his team of Football Outsiders are continuing their groundbreaking work with a comprehensive authoritative book of sophisticated statistical analysis. It also offers solid predictions in 2004 the Outsiders predicted six of eight division winners including the Steelers champion season the fading year of Ahman Green and Jamal Lewis and the breakout of the New York Jets.

Translations on North Vietnam ,1972-04 Red Men John

Williams,2011-04-01 In Red Men a unique and exhaustively researched history of Liverpool Football Club John Williams explores the origins and divisive politics of football in the city of Liverpool and profiles the key men behind the emergence of the club and its early successes. The first great Liverpool manager Tom Watson piloted the club to its first league championships in 1901 and 1906 before taking the club to the FA Cup final in 1914. Watson and the key members of those early Liverpool teams are analysed in depth as is the role of the club and its fans in the city as Merseyside balanced self improvement and cosmopolitanism with almost unimaginable problems of poverty. Liverpool secured consecutive league titles in 1922 and 1923 with the incomparable goalkeeper Elisha Scott as its totemic star and the darling of the Kop. In the 20s Liverpool was also the first British club to internationalise its playing staff. The club's next league title came in 1947 but in the bleak 50s the Liverpool board ruled with an iron fist and controlled the purse strings until Bill Shankly arrived and won that elusive first FA Cup in 1965. The recent tragedies that have shaped the club's contemporary identity are also covered here as are the new Continental influences at Liverpool and of course the glory of Istanbul in 2005. Red Men is the definitive history of a remarkable football club from its formation in 1892 to the present day told in the wider context of the social and cultural development of the city of Liverpool and its people.
