Hulu In The Us Promo:

Promotional Culture and Convergence Helen Powell, 2013-04-17 The rapid growth of promotional material through the internet social media and entertainment culture has created consumers who are seeking out their own information to guide their purchasing decisions *Promotional Culture and Convergence* analyses the environments necessary for creating a culture of collaboration with consumers and critically engages with key areas of contemporary promotional development including promotional culture's primary industries including advertising marketing PR and branding and how are they informed by changes in consumer behaviour and market conditions how industries are adapting in the digital age to attract both audiences and advertising revenue the evolving dialogues between new consumers and producers and promotional industries Ten contributions from leading theorists on contemporary promotional culture presents an indispensable guide to this creative and dynamic field and include detailed historical analysis in depth case studies and global examples of promotion through TV magazines newspapers and cinema

House of Commons - Culture, Media and Sport Committee: Supporting The Creative Economy - Volume I: HC 674 Great Britain: Parliament: House of Commons: Culture, Media and Sport Committee, 2013-09-26 This report warns that the extraordinary success of the UK's creative industries may be jeopardised by any dilution of intellectual property rights and the failure to tackle online piracy The Committee also strongly condemns the failure of Google in particular to tackle access of copyright infringing websites through its search engine Such illegal piracy combined with proposals arising from the Hargreaves review to introduce copyright exceptions and a failure to strengthen copyright enforcement as envisaged by the Digital Economy Act 2010 together threaten the livelihoods of the individuals and industries that contribute over 36 billion annually to the UK economy Also the Olympics No Marketing Rights scheme is excessively restrictive and is preventing British creative companies from realising the benefits they deserve from the Olympic legacy The Committee calls for a central champion of Intellectual Property in Government to promote and protect the interests of UK intellectual property the maximum penalty for serious online IP theft to be increased to 10 years imprisonment in line with the punishment for such offences in the physical world more evidence and scrutiny before any exceptions to copyright such as those suggested by Hargreaves are applied redoubled efforts to ensure that the video games tax credit is approved by the European Commission and introduced as soon as possible reforms to the income tax and tax reliefs systems to recognise adequately the freelance nature of much creative work greater recognition of the importance of arts subjects in the curriculum

From Networks to Netflix Derek Johnson, 2022-07-26 Now in a second edition this textbook surveys the channels platforms and programming through which television distribution operates with a diverse selection of contributors providing thorough explorations of global media industries in flux Even as legacy media industries experience significant disruption in the face of streaming and online delivery the power of the television channel persists Far from disappearing television channels have multiplied and adapted to meet the needs of old and new industry players alike

Television viewers now navigate complex choices among broadcast cable and streaming services across a host of different devices From Networks to Netflix guides students instructors and scholars through that complex and transformed channel landscape to reveal how these industry changes unfold and why they matter This second edition features new players like Disney HBO Max Crunchyroll Hotstar and more increasing attention to TV services across the world An ideal resource for students and scholars of media criticism media theory and media industries this book continues to offer a concrete tangible way to grasp the foundations of television and television studies even as they continue to be rewritten

Promotional Screen Industries Paul Grainge, Catherine Johnson, 2015-03-27 From the trailers and promos that surround film and television to the ads and brand videos that are sought out and shared promotional media have become a central part of contemporary screen life Promotional Screen Industries is the first book to explore the sector responsible for this thriving area of media production In a wide ranging analysis Paul Grainge and Catherine Johnson explore the intermediaries advertising agencies television promotion specialists movie trailer houses digital design companies that compete and collaborate in the fluid fast moving world of promotional screen work Through interview based fieldwork with companies and practitioners based in the UK US and China Promotional Screen Industries encourages us to see promotion as a professional and creative discipline with its own opportunities and challenges Outlining how shifts in the digital media environment have unsettled the boundaries of promotion and content the authors provide new insight into the sector work strategies and imaginaries of contemporary screen promotion With case studies on mobile communication television film and live events this timely book offers a compelling examination of the industrial configurations and media forms such as ads apps promos trailers digital shorts branded entertainment and experiential media that define promotional screen culture at the beginning of the twenty first century

It's Personal: The Business Case for Caring Lorna Borenstein, 2021-03-01 The challenges of today's new work from home environment have transformed the role of employers from mere beneficiaries of workforce health to essential partners in supporting employees total wellbeing It's Personal The Business Case for Caring serves as a strategic and tactical guide for company leaders who want to embrace this transformational change improve employee engagement and drive business results Inspirational practical and timely It's Personal is backed up by data real world experience and testimonials from business leaders at innovative employers such as Aetna and Southwest Airlines The book offers groundbreaking insights into critically important issues such as The Human Connection Movement in the workplace which is fueled by a growing desire among employees to feel more connected to one another and as a result better connected to their jobs How employee needs and expectations are changing and what employers can do to meet these new needs Why now is the time to take a fresh look at the employer employee relationship The costs of not caring understanding the direct connection between employee wellbeing and engagement and a company's bottom line Leadership's role in not only culture change but in improving the life and work experiences of employees The unique and unmanageable burden being placed on

women and working mothers in the workforce How to develop a corporate wellbeing plan with limited resources It s Personal is written by Lorna Borenstein founder and CEO of Grokker the on demand wellbeing engagement solution for global enterprises such as CVSHealth Target and eBay The book can be used by leaders to justify why creating a caring environment is a vital corporate strategy not just because it s the right thing to do but because it s the smart thing to do
