*Internet Memes and Copyright Law* Brian Chun Lok Leung, 2025-09-30 This book explores the intricate relationship between copyright law and internet meme culture challenging an assumption that copyright is a barrier to digital creativity Using the lens of internet memes to analyse copyright law in the context of participatory remix culture the book confronts a common perception that copyright is the destroyer of internet memes on social media platforms Following the European Union's Copyright Directive widely known as the Meme Ban this book critically examines whether copyright might instead be reimagined to foster rather than inhibit re creations that define internet meme culture The book argues that this culture directly challenges copyright's core assumptions and proposes a new holistic approach to copyright that distinguishes between traditional and emergent forms of creative processes Arguing for a flexible interpretation of copyright that limits private proprietary rights in the case of internet memes it provides a legal framework to support socio cultural discourse without undermining copyright's foundational principles Covering core copyright concepts such as authorship idea expression originality fair dealing and user rights the book provides a compelling argument as to how copyright can adapt to the digital age as a protector of cultural expressions ensuring that internet memes are not only preserved but celebrated The book will be of interest to researchers in the field of copyright law the law of emerging technologies and intellectual property law

Adaptation Online Lyndsay Michalik Gratch, 2017-09-05 *Adaptation Online* Creating Memes Sweding Movies and other Digital Performances explores how traditional notions of the processes and products of creative adaptation are evolving online Using a performance lens and a shift in terminology from the metaphor of the cultural meme to the framing that adaptation affords Lyndsay Michalik Gratch considers online adaptations in terms of creative process and human agency rather than merely as products This book offers a glossary of strategies for online adaptation that is useful not only for scholars in performance studies but also for scholars of cinema communications and new media studies

Online Virality Valérie Schafer, Fred Pailler, 2024-08-19 The book *Online Virality* edited by Valérie Schafer and Fred Pailler C2DH University of Luxembourg aims to provide a comprehensive examination of online virality It explores the many ways we can think about this modern phenomenon and analyse the circulation reception and evolution of viral born digital content Virality and content sharing always intertwine material infrastructural visual and discursive elements This involves various platforms stakeholders intermediaries social groups and communities that are constantly re defining themselves Regulation curation and content moderation politics as well as affects and emotions fears humour empathy hatred are also at the core of online virality The publication offers an interdisciplinary overview on online virality by including different types of scientific inputs such as precise case studies various methodological approaches including close and distant reading visual studies discourse analysis etc as well as historical and socio technical analyses The book is organised around three main topics Expressions and Genres Mobilisations and Engagements Circulation and Infrastructures The first part explores the semiotics of virality

the diverse and creative forms of expression specific genres the relation to other media and the affective side of virality such as using humour or provocation The second part focuses on the political dimension of memes and viral content and their use in the context of controversy or political and ideological opposition Finally the third part delves into the often understudied but essential side of virality by examining the role of platforms and their curation in short the infrastructural dimension of virality These three parts allow us to question such fundamental notions linked to virality as among others circulation reception economy of attention instrumentalisation and affect This volume brings together authors from various disciplines including semiotics history information and communication sciences computer science digital humanities media studies In addition the contributors approach the question via case studies that allow for a perspective that is not exclusively US and European centred Some chapters explore virality in Brazil Chile while the book also examines a wide variety of platforms YouTube Twitter Instagram TikTok video game platforms etc

**Adolescent Use of New Media and Internet Technologies** Gordon P. D. Ingram, 2023-03-31 This book engages with contemporary and often polarizing debates surrounding the risks of adolescent use of digital media and internet technologies By drawing on multiple research studies the text synthesizes current

understandings of the impacts of social network use online gaming pornography and phenomena including cyberbullying cyberstalking and internet addiction to develop recommendations for the effective identification of at risk youth as well as strategies for informed communication about online risks and opportunities It shows how media discussion of risks to children and teenagers from new technology is highly emotive and often exaggerated rooted in the moral panic surrounding new cultural practices that young people engage in but which adults do not understand Online risks are thus conceptualized as centering on three areas specific to adolescence which have undergone radical changes due to new internet technology These include young people s identity the types of content that are accessed and social relationships The author shows how these matters stem from the potential of new technology to establish new interpersonal connections emphasizing how it brings opportunities as much as risks As such he provides a uniquely balanced discussion of potential dangers while also emphasizing the opportunities for social academic and personal growth which new technologies afford young people It will be indispensable for researchers and clinicians interested in assessing levels of online risk as well as scholars and educators with interests in cyberpsychology social psychology cyber culture social aspects of computing and media and adolescent development *Art and AsiaPacific* ,2009 **Sad by Design** Geert Lovink,2019-05-20 Sadness is now a design problem The highs and lows of melancholy are coded into social media platforms After all the clicking browsing swiping and liking all we are left with is the flat and empty aftermath of time lost to the app Sad by Design offers a critical analysis of the growing social media controversies such as fake news toxic viral memes and online addiction The failed search for a grand design has resulted in depoliticised internet studies unable to generate either radical critique or a search for alternatives Geert Lovink calls for us to embrace the engineered intimacy of social media messenger apps and selfies because boredom is the first stage of overcoming platform nihilism Then after the haze we can organise to disrupt the data extraction industries at their core *WIPO Magazine* ,2016 **Memes** Steve Smalls,Memes Pokemon Go,2016-07-30 Over 24 hours of video are uploaded every 24 seconds to YouTube So what happens when billions of Internet users descend on the biggest video site on the planet A cornucopia of hilarious commentary and reviews In this Omnibus edition of the best selling collection of the World s Funniest Youtube Comments bring you some of the most creative wacky and funniest comments and reviews of the millions of videos on the world s biggest video site Enjoy Tags Memes Jokes Tumblr YouTube Facebook **The New York Times Magazine** ,2010 The Impact of Social Media Trends on Behavioural Patterns of Youth Bangura Samuel,2024-01-03 Essay from the year 2023 in the subject Communications Public Relations Advertising Marketing Social Media University of Ghana Legon School of Social Sciences course Sociology language English abstract This sociological term paper explores the profound influence of social media trends on the behavioral patterns of today s youth With the advent of digital communication platforms social media has become an integral part of the lives of young individuals shaping their attitudes beliefs and actions The paper delves into the various ways in which social media trends impact the behavioral

dynamics of youth examining both positive and negative consequences Various sociological perspectives were applied to analyse the impact of social media trends on the behavioral patterns of youth including functionalism conflict theory and symbolic interactionism The rise of social media has revolutionized the way individuals communicate and interact Today s youth are the primary users of these platforms making it imperative to understand the impact of social media trends on their behavioural patterns The consistent exposure to a wide range of content like influencers memes and viral challenge has a prospective impact on the youth s behavior and decision making processes Getting to comprehend the association of these social media trends and the behavior of the youth is very vital for mental health professions educators policymakers parents to ensure the well being and development of the younger generation Nowadays younger generations grow up having good contact with different types of social networks easily acquire digital culture and live in a digital world where only adults are naturalized citizens Social networking in recent times is popular among young people particularly university students According to Rida Noor 2000 the term social media refers to a group of applications like Facebook Twitter WhatsApp Messenger Instagram and YouTube Due to the rapid growth of internet usage around the world there are many youths deserting from the electronic media specifically those who watch and listen to television and radio respectively to social media Social media has brought both positive and negative effects on the youth Brandweek ,2006-10 *When We Become Ours* Shannon Gibney,Nicole Chung,Mariama J.
