Theodoredis,2009-03 No one ever chooses to stop at Black Rock Mesa it's too desolate The brutal wind ever present and temperamental tests the willpower of the most stalwart residents So when a mysterious woman impulsively disembarks from a bus and gets blown into the town's general store her presence causes quite a stir She says little but her Asian features earn her the nickname Tokyo Deciding to stay in town she reveals little about her past and is comforted to find little is asked Slowly she comes to see that Black Rock is not like other towns due to the wind everything even time works a bit differently Black Rock she learns was founded by three prospectors looking for gold Noah Shlomo and Apie Noah the most charismatic of the three attracted quarrymen to this unforgiving place to tirelessly chip and haul the slate down from the mesa But the big gaps left in the stories of the past hint to Tokyo that the town folk have secrets bigger than her own No one is talking not even the man Tokyo takes up with Luke Noah's son This reticence suits Tokyo just fine until one day a strange man shows up in Black Rock with revelations Ultimately no secret is immune
