## **On Guard Defending Your Faith With Reason And Precision:**

**On Guard** William Lane Craig, 2010-03-01 Christian apologetics scholar William Lane Craig provides a powerful and practical guide for defending the Christian faith. This concise guide is filled with illustrations, sidebars, and memorizable steps to help Christians stand their ground and defend their faith with reason and precision. In his engaging style, Dr. Craig offers ways to equip Christians, including how to answer the difficult questions about your faith. Overcome times of spiritual doubt. Understand not just what you believe but why you believe. Paired with personal stories from Dr. Craig's own life, this one-stop training manual will guide you in developing a biblical world view and will show you how being on guard with the truth has the power to change lives forever.

**Is God Just a Human Invention?** Sean McDowell, Jonathan Morrow, 2011-03-24 Sean McDowell and Jonathan Morrow have penned an accessible yet rigorous look at the arguments of the New Atheists. Writing from a distinctively Christian perspective, McDowell and Morrow lay out the facts so that the emerging generation can make up their own mind after considering all the evidence.

**The Case Against Theism** Raphael Lataster, 2018-06-14 This monograph offers a critique of arguments for the existence of a specifically Christian God advanced by prominent scholar William Lane Craig. The discussion incorporates philosophical, mathematical, scientific, historical, and sociological approaches. The author does not seek to criticize religion in general or Christianity specifically. Rather, he examines the modern and relatively sophisticated evidential case for Christian theism. Scholars have been arguing for theism or naturalism for centuries, and there seems little to add to the discussion, especially from the theistic side. However, to assume that either theism or naturalism obtains is a false dichotomy. There are alternatives to both that merit consideration. Employing a probabilistic approach, the author advances this discussion. His work uniquely utilizes not only naturalistic hypotheses to argue against theism. It also presents supernaturalistic hypotheses. This leaves no question that theism is almost certainly false, even if some form of divine reality exists. This project seeks not to argue that Christianity or any other faith or religion is undesirable, but only to critically examine evidentialist claims posited by Christianity's learned apologists. In fact, a major secondary aim is to consider alternative god conceptions such as polytheism and pantheism. This work aims to highlight that Christian theism is often granted special privileges by theistic philosophers of religion, which seems doubly inappropriate when certain alternative god conceptions may even prove to be more plausible.

**Why Do We Hurt?** C. Nathan Vannatta, 2023-04-12 Why do we hurt? This is a question asked all through history by the rich and the poor, the slave and the free, the weak and the powerful, and the intellectuals and the dreamers. All of us experience pain and the physical and emotional suffering that it can bring. For many, this question has deep theological undertones and has posed a challenge to their faith in God. Why is there so much evil and suffering, and how can we stop it? What is the purpose of pain? Is there even a purpose? If there is a god, why is all this pain allowed to continue? Why Do We Hurt? is a biblically rooted and deeply practical exploration of these questions and more. Readers will find spiritual nourishment, inspiration, and insight on each page. Using

clinical stories to illustrate main themes author C Nathan Vannatta addresses the many problems posed by the reality of pain Combining arguments from logic philosophy neuroscience and biblical exegesis the issue of pain and suffering is addressed from various perspectives to lead readers to the hope we have in Christ **On Guard Study Guide** William Lane

**VARIOUS RELIGIONS** Edward D. Andrews,2018-02-27 **The Way Back** Paul Huyghebaert,2022-05-19 There is a lot at stake as it pertains to correctly understanding and teaching God s call to repent God makes amazing promises about what He will do when his people truly live in repentance Perhaps nowhere else in the Bible is this promise so clear as in Acts 3 19 NASB Therefore repent and return so that your sins may be wiped away in order that times of refreshing may come from the presence of the Lord Repentance brings forgiveness from sins but there is also a second promise attached to repentance the presence of God As you read this book you ll consider questions such as Who does the Bible say God is What does God think of you What is the source of our understanding between right and wrong How can we incorporate the majesty of the Creator into daily life Other topics include how we take for granted the relationship God has offered us why we should embrace a posture of humility and the meaning of true repentance The Way Back walks readers through a progression that illuminates why true biblical repentance is at the heart of what it means to walk with God **On Guard for Students** William Lane

William Lane Craig,2021-09-28 Was Adam a real historical person If so who was he and when did he live William Lane Craig sets out to answer these questions through a biblical and scientific investigation He begins with an inquiry into the genre of Genesis 1 11 determining that it can most plausibly be classified as mytho history a narrative with both literary and historical value He then moves into the New Testament where he examines references to Adam in the words of Jesus and the writings of Paul ultimately concluding that the entire Bible considers Adam the historical progenitor of the human race a position that must therefore be accepted as a premise for Christians who take seriously the inspired truth of Scripture Working from that foundation of biblical truth Craig embarks upon an interdisciplinary survey of scientific evidence to determine where Adam could be most plausibly located in the evolutionary history of humankind ultimately determining that Adam lived between
