Operations Management Nigel Slack 7th Edition:

Operations Management Nigel Slack, Alistair Brandon-Jones, Robert Johnston, 2013-07 This package includes a physical copy of Operations Management 7e as well as access to the eText and MyOMLab. Operations management is important, exciting, challenging, and everywhere you look. Important because it enables organisations to provide services and products that we all need. Exciting because it is central to constant changes in customer preference networks of supply and demand and developments in technology. Challenging because solutions must be financially sound, resource efficient, as well as environmentally and socially responsible. And everywhere because in our daily lives, whether at work or at home, we all experience and manage processes and operations. Operations Management focuses on the sustainable and socially responsible imperatives of operations management, using over 120 cases and illustrations of real life operations around the world, including Apple, Medecins Sans Frontieres, Amazon, Ecover, Dyson, Disneyland Paris, Google, The North Face, and many more. Join over 10 million students benefiting from Pearson MyLabs. This package comes with MyOMLab, an online homework and tutorial system designed to test and build your understanding. MyOMLab provides a personalised approach with instant feedback and numerous additional resources to support your learning. A student access code card may have been included with this textbook at a reduced cost. If you do not have an access code, you can buy access to MyOMLab and the eText online version of the book online at www.myomlab.com
