Fighting on the Cultural Front Hongshan Li,2024-04-09 The Cold War conflict between the United States and the People s Republic of China did not only encompass political military diplomatic and economic clashes The two powers also confronted each other on the cultural front Despite a long history of extensive and mostly constructive cultural interactions the two nations cut off existing ties in the late 1940s and early 1950s and established new relationships aimed at attacking and isolating each other Even after Beijing and Washington permitted cultural exchange as part of their effort to normalize diplomatic relations in the 1970s the weaponization of cultural interactions continued Hongshan Li provides a groundbreaking account of the confrontation between the United States and the People s Republic of China on the Cold War s cultural front He investigates the origins evolution and significance of the role of cultural interactions in the shifting relations between the United States and the PRC from the late 1940s through the late 1970s Li demonstrates that the drastic transformation of U S China cultural interactions not only altered the course of Sino American cultural relations but also shaped the Cold War experience of the two peoples Fighting on the Cultural Front examines topics such as competition and conflicts over Chinese students and scholars stranded in the United States maneuvers on the authorization of journalistic exchanges the establishment of Taiwan as a

cultural bastion and Beijing's promotion of its revolutionary ideology through individual U.S. citizens particularly African Americans. This important book offers a new lens on the history of U.S.-China relations and the cultural side of the global Cold War.

Managing Diversity Michalle E. Mor Barak, 2016-10-11 Winner of the George R. Terry Book Award from Academy of Management and the Outstanding Academic Title Award from CHOICE Magazine. Successful management of our increasingly diverse workforce is one of the most important challenges facing organizations today. In the Fourth Edition of her award-winning text *Managing Diversity*, author Michelle E. Mor Barak argues that inclusion is the key to unleashing the potential embedded in a multicultural workforce. This thoroughly updated new edition includes the latest research, statistics, policy, and case examples. A new chapter on inclusive leadership explores the diversity paradox and unpacks how leaders can leverage diversity to increase innovation and creativity for competitive advantage. A new chapter devoted to Practical Steps for Creating an Inclusive Workplace presents a four-stage intervention and implementation model with accompanying scales that can be used to assess inclusion in the workplace, making this the most practical edition ever.

Corridors of Contagion Victoria Law, 2024-09-10 Tracing the narratives of five incarcerated individuals sentenced to COVID, *Corridors of Contagion* speaks to the devastating impact of surviving the pandemic inside prison walls. *Corridors of Contagion* brings to light the experiences of five people incarcerated across the United States as they navigate the onset of the pandemic and the many months stretched into years that followed. Journalist Victoria Law combines this storytelling with a trenchant analysis of the structural failures of the U.S. carceral system—failures that made prisons uniquely vulnerable to COVID-19 outbreaks, from overcrowding to solitary confinement, from insufficient healthcare to life sentences. The book portrays the horrors of continual lockdowns not in the comfort of one's own home but in prisons where routine violence and chaos is made even more unimaginable by the complete lack of control over protection from a terrifying and lethal new virus. The pandemic provided an opportunity for lawmakers and policy makers to rethink the nation's addiction to perpetual punishment. Instead, U.S. jails and prisons doubled down on punishment under the guise of pandemic protections. As a result, people behind bars experienced increased stress, mental health challenges, increased violence, and higher rates of deaths, many of which could have been prevented. While the pandemic emergency has been declared over, we are continuing to learn more about the extent of its destruction. *Corridors of Contagion* reminds readers about both the particular horrors experienced by people in cages and the continued role of the U.S. as the world's prison nation.

Tackling Terrorism in Britain Steven Greer, 2021-10-14 In September 2001, the world witnessed the horrific events of 9/11. A great deal has happened on the counterterrorist front in the 20 years since. While the terrorist threat has greatly diminished in Northern Ireland, the events of 9/11 and their aftermath have ushered in a new phase for the rest of the UK with some familiar but also many novel characteristics. This ambitious study takes stock of counterterrorism in Britain in this anniversary year. Assessing current challenges and closely mirroring the four Ps of the official CONTEST counterterrorist strategy—Protect, Prepare, Prevent, and Pursue—it seeks to summarize and grasp the essence

of domestic law and policy without being burdened by excessive technical detail It also provides a rigorous context aware illuminating yet concise accessible and policy relevant analysis of this important and controversial subject grounded in relevant social science policy studies and legal scholarship This book will be an important resource for students and scholars in law and social science as well as human rights terrorism counterterrorism security and conflict studies Corporate Practice Series ,2004 **Summary of Events in Lesotho** ,2014 **Energy Research Abstracts** ,1982 Semiannual with semiannual and annual indexes References to all scientific and technical literature coming from DOE its laboratories energy centers and contractors Includes all works deriving from DOE other related government sponsored information and foreign nonnuclear information Arranged under 39 categories e g Biomedical sciences basic studies Biomedical sciences applied studies Health and safety and Fusion energy Entry gives bibliographical information and abstract Corporate author subject report number indexes **Mississippi Landmarks** ,2013 **Viva Life Orientation** ,2013
