## **Men And Feminism Seal Studies:**

**Men and Feminism** Shira Tarrant, 2009-05-12 There s no denying that men s involvement and interest in feminism is key to its continuing relevance and importance Addressing the question of why men should care about feminism in the first place Men and Feminism lays the foundation for a larger discussion about feminism as a human issue not simply a women s issue Men are crucial to the movement as fathers brothers husbands boyfriends and friends From why to how to what can men do Men and Feminism answers all the questions men have about how and why they should get behind feminism **Men in Feminism** , **The Guy's Guide to Feminism** Michael Kaufman, Michael Kimmel, 2011-10-25 Written by and for men the ultimate guide to becoming a strong male ally in the 21st century In just one generation age old ideas about women have been swept aside but what does that have to do with men Authors Michael Kaufman and Michael Kimmel two of the world s leading male advocates of gender equality believe it has everything to do with them and that it s crucial to educate men about feminism in order for them to fully understand just how important and positive these changes have been for them Kaufman and Kimmel address these issues in The Guy s Guide to Feminism Hip and accessible it contains nearly a hundred entries from Autonomy to Zero Tolerance written in varying tones humorous satirical irreverent thoughtful and serious and in many forms top ten lists comics interviews mini stories and more Each topic celebrates the ongoing gains that are improving the lives of women and girls and what that really means for men Informal and fun yet substantive and intelligent The Guy s Guide to Feminism illustrates how understanding and supporting feminism can help men live richer fuller and happier lives

**Two Is Enough** Laura S Scott, 2009-10-27 Fall in love Get married Have children For most couples marriage and children go hand in hand And yet the number of people choosing childlessness is on the rise These are the childless by choice people who have actively decided not to have children rather than the childless by circumstance In Two Is Enough Laura S Scott explores the assumptions surrounding childrearing and explores the reasons many people are choosing to forgo this experience Scott founder of the Childless by Choice Project examines the personal stories of people who have faced this decision and explores the growing trend of childlessness Scott s expert knowledge and analysis offer a picture of the childless by choice who they are why they ve chosen to remain childless and how they ve had these conversations with loved ones Honest and unapologetic Two Is Enough recognizes the challenges of being childless in today s society and offers suggestions on how that same society can change to make room for the childless and the childfree **Reconstructing Gender: A Multicultural Anthology** Estelle Disch, 2009 This United States focused anthology on gender focuses on women and men and the multiple identities that comprise the lives of individuals across gender Drawing from a wide range of sources including research articles essays and personal narratives Disch has chosen accessible engaging and provocative readings that represent a plurality of perspectives and experiences Eleven part introductions briefly identify important issues in the general eld of study describe the readings identify the central themes emerging throughout the book and raise questions for

students to consider      **New Books on Women, Gender and Feminism** ,2010      *Gender and Research: Men's studies, queer theory, polyvocality* Sara Delamont,Paul Atkinson,2008 For the past thirty years there have been vigorous debates about the roles played by gender sexuality and sexual orientation in research This collection brings together the debates together set them into their historical and theoretical context and deal with the major criticisms and refutations A particular strength of this collection is that it will available a key sources otherwise scattered and hard to obtain Volume I discusses three sub themes the context in which gender became a matter of concern for researchers the context in which feminist methods were developed and the re discovery of the methodological work of well known women such as Jane Addams and Florence Nightingale Volume II looks at research that has been conducted with explicit awareness of gender Volume III focuses on the pioneering work of innovative scholars who argued for feminist methods in the years after 1950 It then goes on to investigate research that defended and debated the formulations of feminist methods Finally volume IV explicitly relates the themes of Queer Theory Subaltern Theory and Polyvocality themes that evolved with feminist methods to those topics showcased in the other three volumes      **Handbook of Feminist Research** Sharlene Nagy Hesse-Biber,2007 The topic feminist research has too often been neglected in standard research methods books The Handbook of Feminist Research represents the establishment of a new tradition or paradigm in viewing how the research process is implemented Feminist researchers bring unique epistemological and methodological perspectives to the research process Feminists approach to methodology allows for new types of questions about women s lives and those of other ed marginalized groups to be addressed within their respective fields of research This Handbook stresses the interconnections between epistemology methodology and methods They are not de linked from each other but work together in dynamic ways to produce new knowledge and this openness itself is also characteristic of how feminist researchers approach their work Feminists engage synergistically with all three aspects of the research process epistemology methodology and method Through a synergistic connection between these elements of research epistemology methodology and method we find that feminist research often shapes new research endeavors that are greater than the sum of their parts In other words while traditional research employs these components of research the synergistic engagement of these components in feminist research questions the status quo aiming to raise our consciousness about how we do research Looking at the selections provided in this Handbook we are able to look at feminist research its implementation of synergistic use of epistemology methodology and method and the resulting qualities of feminist research in practice      **New Books on Women and Feminism** ,2010      **Feminist Collections** University of Wisconsin System.
