**Valuing Digital Business Designs and Platforms** Thorsten Feix, 2021-09-15 This book develops an interwoven framework for the strategic and financial valuation of digital business designs and platform companies which became game changers for a multitude of ecosystems in the 21st century. But also incumbents of traditional industries are challenged by those digital natives and have therefore either to revitalize their business design or facing the risk to be marginalized. The business design twin of innovation is resilience to create lasting competitive advantage and capture value for the post pandemic world of the 20s. The ultimate idea of the book rests on the hypothesis that only the combination of business design analytics 10C Business Design and the 8 strategic levers of platform strength with intense financial modeling Reverse DCF enables a true understanding of the competitive advantage and value of such business designs. Based on a tailored strategic financial conceptual framework a set of high profile new case studies will highlight the working principles and application of the concept.

*Understanding Collaborative Consumption* Pia A. Albinsson, B. Y. Perera, Stephanie J. Lawson, 2024-04-12 This dynamic book explores the importance of collaborative consumption which is particularly relevant at a time when the sharing economy has established itself as part of the mainstream market. Nearly 40 expert scholars across the globe go beyond the existing literature to investigate understudied community efforts and spaces including innovative topics such as hand me downs and coworking.

### *The Brains and Brawn Company: How Leading Organizations Blend the Best of Digital and Physical*

Robert Siegel,2021-07-27 A Top Financial Times Recommended Business Book The Brains and Brawn Company is the grounded clear sighted guide you need to blend digital and traditional business functions for long term competitive advantage Business leaders are continually told they need to embrace digital disruption wholeheartedly to thrive in the 21st Century Legacy companies we hear are all doomed to fail unless they double down on the latest digital innovations and disruptors are ordained to take over the world Digital innovation is the answer to everything False Nothing in life or business is ever that simple In The Brains and Brawn Company How Leading Organizations Blend the Best of Digital and Physical venture capitalist and Stanford Business School lecturer Robert Siegel

brings the digital innovation conversation back down to earth. He shows that while important digital is only part of the answer and it's never the only answer. The vast majority of successful leaders from both incumbents and disruptors focus as much on things like logistics, manufacturing and distribution as they do on digital innovation. In fact many established companies are successfully countering young upstarts in other creative ways and many new organizations are learning from their older brethren. Siegel shows how to create lasting profits and growth in the smartest way possible by creating a solid partnership between digital innovation and traditional business operations in other words by marrying brains and brawn. He lays out the core competencies that today's industry leaders have mastered and explains how Charles Schwab uses cutting edge analytics to better serve millions of investors without violating its original code of values. Align Technology transformed orthodontia by developing creative new business models along with new products. Kaiser Permanente taps into the power of empathy to improve patient satisfaction while controlling costs. Instacart balances ownership and partnerships to balance the needs of four key constituencies. Target, Best Buy and Home Depot found different ways to blend the best aspects of physical retail with innovative e-commerce. Desktop Metal is innovating high volume yet affordable production methods that can revolutionize manufacturing. Filled with original research and case studies of Daimler, 23andMe, Instacart, AB InBev, Google and many other companies. **The Brains and Brawn Company: How Leading Organizations Blend the Best of Digital and Physical** provides practical proven insights and advice for bridging the gulf between digital vs physical disruptor vs incumbent startup world vs Fortune 500 and tech culture vs industrial culture. **The Brains and Brawn Company: How Leading Organizations Blend the Best of Digital and Physical** provides everything you need to set your company apart from your competitors in real and measurable ways and take the lead in your industry for years to come.

### **What They Won't Tell You: DoorDash, Postmates, Grubhub, and Others**

WHO I AM DOES NOT MATTER, BUT WHAT I KNOW DOES!, 2019-05-14. This book, **What They Won't Tell You: DoorDash, Postmates, Grubhub, and Others**, with the subtitle of 24 Things They Tried to Keep Secret from You, is about exactly that plus two additional things. This is useful and highly valuable information to the consumer, the merchants e.g. stores and restaurants as well as to the independent delivery businesses that make the deliveries to and for consumers and merchants. It also includes independent transportation businesses who drive people around. Platforms like DoorDash, Postmates, Grubhub, Favor, Uber, Lyft, and so many others like them have chosen to be

deceptive in their practices and these 24 things will let you know what those things are So the next time you order using DoorDash or any number of the competing platforms out there you will be a lot more prepared and aware of who and what you're dealing with and how to best get the most from your experience interacting with the delivery businesses Yes this book should help the experience go much better between consumers merchants and independent delivery businesses by now being more aware of what's really going on with these platforms middlemen standing between all of you So whether you are a consumer merchant or independent delivery business driver read this book in its entirety to stop being taken advantage of by these platforms You'll be glad you did     *The Price Reduction League* Price Reduction League (London),1961     *Delivery Service Daily Tracker (I.
