*Intermittent Fasting Diet: The Intermittent Fasting Cookbook - Delicious Recipes for the Intermittent Diet* Lindsay Parsons,2017-05-15 Intermittent Fasting Diet The Intermittent Fasting Cookbook Delicious Recipes for the Intermittent Diet This Intermittent Fasting Diet book is all about the fasting diet and giving suggestions for recipes as the Intermittent Fasting Cookbook This is also known as the lose weight fast diet with fast meaning going without food not the time frame Intermittent fasting diets have helped people to lose weight successfully for years It is a fat loss diet which uses the methods of fasting as a diet This is an effective diet that is fairly easy to follow Of course the true success depends upon how you choose to eat during your eating times and what you do in addition to the diet This diet works by dieting during certain hours and fasting the rest of the time The less you can eat and the more you can fast the faster you may lose the weight But you have to practice caution

because if you fast too much the body can go into starvation mode and no thing is lost The body in this mode hangs on to fat for fear of not eating again for a while You can avoid this by eating the right kinds of food Certain foods will sustain the body longer and coupling dieting with exercise you have greater success with the weight loss This cookbook suggests going with the intermittent dieting where you eat during a set time each day then fasting the rest of the time This method works well because the body is less likely to go into starvation mode if it has food each day The official diet plan does not specify any certain foods however common sense tells you in order to lose the weight and body fat effectively you must eat sensible foods This means staying away from junk foods and focusing on nutrition by eating foods high in nutrients There are three categories in the book with an introduction and a sample 5 day meal plan The three main recipe categories cover breakfast a main meal and a light meal or snack **Intermittent Fasting** Koorosh Naghshineh,2022-11-30 Discover everything you ll ever need to be successful with intermittent fasting including essential tips tricks and delicious recipes This book focuses on ways to use intermittent fasting to slow the signs and effects of aging on the body for men and women over 50 Weight loss is achieved sustainably without banning sinful foods or counting calories It s time to shift the focus to when we eat versus what we eat Intermittent fasting Beginner s Guide to Weight Loss for Men and Women Over 50 will provide you with a complete guide to get you started and see you through to an achievable sustainable healthier you Inside you ll find A complete understanding of intermittent fasting Common mistakes made by beginners and how to avoid them The benefits and possible risks of intermittent fasting A clear guide to the different types of intermittent fasting Concrete proven ways to ease into this new lifestyle painlessly The best foods to eat during your eating windows for optimum results A full 21 day meal plan to get you started Many recipes to adopt intermittent fasting as your new and enjoyable lifestyle And so much more
