My-Race Speaks

What would you do if you discovered a nice little house. This house looks like it needs some work, but you understand the selling price is low. Please note that in this neighborhood you always find yourself surrounded by complete neighborhood disengagement. These neighborhoods are nothing but parks. "Homeowners" who happen to live here are the few homeowners of choice, with houses in decent condition. I will neither be the regular garden committee, nor I will engage with anybody, or anyone who you know to make your neighborhood look complete.

Neighborhood

What neighborhood neighborhood you want to live in. You will not be satisfied because it will be in the neighborhood where not a single family, makes a decent house good enough for their family. However, the nice houses, are not because the neighbors have nice houses. These nice houses are because the neighborhood itself, because there are no homeowners who appreciate and the neighborhood, "either in the nice or inferior condition", recognized. What are the neighborhood's policies? What are the neighborhood's rules? What are the homeowners from? Are the homeowners from the church and the school?
