Customers' expectations are so great and their demands so empowered that a Social CRM strategy must be built around collaboration and customers' engagement, not traditional operational customer management. It's the company's response to the customer's control of the conversation that makes Social CRM work. Written by CRM guru Paul Greenberg, *CRM at the Speed of Light, Fourth Edition* reveals best practices for a successful Social CRM implementation. Greenberg explains how this new paradigm involves the customer in a synergistic discussion to provide mutually beneficial value in a trusted and transparent business environment.
