*Zero to One Billion: What They Don't Teach You at School About How the Forbes Billionaires Really Make Money*  
ABHIJEET SARKAR,2025-08-03 Zero to One Billion What They Don't Teach You at School About How the Forbes Billionaires Really Make Money by Abhijeet Sarkar CEO it's about playing a different game entirely. The world's self-made billionaires don't just have a different work ethic; they have a different rulebook. This book is that rulebook. In 'Zero to One Billion' Abhijeet Sarkar CEO it's a strategic playbook on how to build scale and own your future. Inside you will discover The Billion Dollar Delusion: Why hustle culture is a trap and leverage not effort is the true engine of wealth. Monopolize, Don't Compete, Learn why competition is a bloody battle for losers and how to create a new category where you are the only player. Forget Passion, Find Pain. The provocative truth that fortunes are built by solving excruciating problems not by following a hobby. Asymmetric Bets: The billionaire mindset of taking calculated risks where the downside is capped but the upside is virtually infinite. The Four Levers of Wealth: How to use Code, Capital, Media and People to decouple your income from your time and build systems that work for you 24/7. The Physics of the Exit: The strategic logic behind when to sell, go public or hold your company forever. 'Zero to One Billion' is for the ambitious founder, the aspiring entrepreneur, the frustrated employee who knows there must be another way and anyone brave enough to challenge the comfortable lies about success. The conventional path is crowded. It's time to start your own. Scroll up and click Buy Now to get your copy of the rulebook and begin your real journey to wealth and freedom.

**Banking on Change** London Institute of Banking and Finance,2019-09-02 PRAISE FOR Banking on Change  
In this 140th Anniversary celebration book, The London Institute of Banking and Finance stick to their core function of educating us all but especially aspirant bankers on the role and concerns of retail and commercial banking in the UK. They have assembled a well-chosen group of practitioners from a range of professions to write clear and easily assimilable essays. No technical expertise required on a wide variety of current banking issues. If you want to learn about the current practices and problems of UK retail banking, this book must be essential reading. Charles Goodhart, emeritus professor of banking and finance at the London School of Economics. In this important book, a line from Bill Allen's contribution is key: Nobody can predict the ferocity of the gale of creative destruction that faces the financial services sector. True, but if you read the many and varied contributions, you'll have a pretty good idea. Moreover, you'll understand how we that is, bankers, got here and what we should do to make the industry more competitive, fairer and more genuinely useful. It is a soup to nuts look at banking from the early days of the Institute of Banking through the go-go years of ifs to a present and future that are likely to be dominated by technology. It is well worth a long read. Andrew Hilton, director, Centre for the Study of Financial Innovation. If you were to imagine what a book celebrating 140 years of financial knowledge might contain, you could not come up with a better selection than this. As well as a historic sweep from no tech to fintech, the decline of trust and the rise of competition, today's hot subjects are addressed, including sustainable investing, cultural diversity and digital identity. The cradle to grave

nature of the industry is captured in pieces about financial education and pensions And it s well written setting the scene nicely for the next era Jane Fuller Fellow of the Society of Investment Professionals Financial services are undergoing rapid and potentially dramatic change What will happen in payments in sustainable finance and in fintech How can the industry boost financial inclusion and ensure that its workforce has the skills it needs to meet regulatory requirements and to compete with new entrants Can trade finance rise to the challenge of underpinning global trade for all and help the developing world avoid financial abandonment What do financial services need to do to protect our digital identities Banking on Change provides insights by experts and influencers from across the financial services industry on these and other questions Published to mark the 140th anniversary of The London Institute of Banking Finance this book is intended to be of lasting value to both students and professionals
