

## Quick Start Guide

New to PowerPoint? Use this guide to learn the basics.

## PowerPoint

### Create something

Begin with a **Blank Presentation** to get right to work. Or save yourself time by selecting a theme or template that resembles what you need. Select **File > New**, and then select or search for the theme or template you want.

### Stay connected

Need to work on the go and across different devices? Select **File > Account** to sign in and access your recently used files anywhere, on any device, through seamless integration between Office, OneDrive, and SharePoint.

### Find recent files

Whether you only work with files stored on your PC's local hard drive or you access various cloud services, selecting **File > Open** takes you to your recently used documents and any files that you may have pinned to your list.

### Share your work with others

To invite others to view or edit your presentations in the cloud, select the **Share** button in the top-right corner of the app window. In the **Share** pane that opens, you can get a sharing link or send invitations to the people you select.
