How To Tie A Tie Steven L. Denlinger, 2025-09-20 What happens when the rules meant to save your soul become the chains that break your spirit Raised in a Mennonite world where God's love came with a belt Steven Denlinger was taught to fear hell but it was life within his own community that became the source of his deepest wounds How To Tie a Tie is an inspiring memoir of how he found the courage to walk away from religious trauma and discover a new faith that heals rather than harms The first born son of a large and raucous family Steven always knew his community felt strange Being a good Christian meant following a list of rules to avoid hellfire No movies No radio Women wore cape like dresses to disguise their sinful bodies Parents and teachers had the right to beat you Long before his teens these earnest sermons and rigid dictates sent him fleeing to the kitchen screaming I'm dying I'm dying Decades later he finally discovered he was suffering from religious trauma due to the ritualized physical abuse he experienced within a Christian setting Steven's need to escape and his passion for a first rate education led to a Rotary Foundation Scholarship that sent him abroad to the sinners mecca of London His struggles to assimilate detailed in vulnerable letters home inspired his family to send an emissary pleading with him to return Steven's final break with his Mennonite community launched him on a confusing

journey of grief loss and discovery Outwardly a successful high school English teacher and theatrical director his struggles to assimilate with the modern world led to many stumbles Eventually he found personal transformation and built a vibrant new community in his diverse world Written in a wry raw and reflective tone How To Tie a Tie is a powerful and timely memoir the quest to discover a new faith that offers hope and a path to personal freedom for anyone still trapped in a patriarchal fundamentalist community **Report and Appendix ... ,1884** *Journal of Education and School World ,1894*
