## Midlife Manhood And Ministry:

Midlife, Manhood, and Ministry Donald Hilliard, Rhoda McKinney-Jones, 2013 Middle age For some those two simple words can instill fear Pastor or parishioner each us of has the same worries about longevity past mistakes transitions in marriage and parenting and obvious changes in libido as well as a nagging longing for what was and what has been from the Introduction Do those words resonate or strike a note of terror in your heart Allow husband father and pastor Donald Hilliard to walk with you through the disconcerting days of midlife Find strength and encouragement as he shares his own story and the stories of other men of faith and fallibility who have already made the sojourn ahead of you Book jacket

**The Making of Manhood** William James Dawson, 1894 *Reading Your Male* Mary Farrar, 2012-12-10 There is a growing crisis among our men and boys in the area of sexual temptation and sin pornography use is skyrocketing and increasing numbers of men

find themselves entangled in a web they can't seem to escape Yet many men feel greatly misunderstood by their women while just as many women feel mystified and powerless to help their men Mary Farrar *Reading Your Male* Now author Mary Farrar confirms that every woman whether a wife mother or single woman can play a powerful and pivotal role in the male sexual struggle by entering into her man's world and seeing through his eyes thinking with his mind feeling with his emotions connecting with his soul *Reading Your Male* de mystifies inner male sexuality exposes the enemy's tactics in taking down our men and equips women to use their innate gifts in becoming a man's greatest ally in the fight for victory Using biblical insight and up to date research Farrar also tackles some of the most elusive questions women are asking today such as Why do men struggle so deeply in the area of sexuality What are we to think about pornography and masturbation Why does this generation of men appear to be so reticent What does a man crave most from a woman What is a woman's most powerful gift to her man How can a woman draw out an emotionally unavailable man What is a healthy view of strong femininity and beauty

Midlife Crisis Susanne Schmidt, 2020-03-12 The phrase midlife crisis today conjures up images of male indulgence and irresponsibility an affluent middle aged man speeding off in a red sports car with a woman half his age but before it became a gendered cliché it gained traction as a feminist concept Journalist Gail Sheehy used the term to describe a midlife period when both men and women might reassess their choices and seek a change in life Sheehy's definition challenged the double standard of middle age where aging is advantageous to men and detrimental to women by viewing midlife as an opportunity rather than a crisis Widely popular in the United States and internationally the term was quickly appropriated by psychological and psychiatric experts and redefined as a male centered masculinist concept The first book length history of this controversial concept Susanne Schmidt's *Midlife Crisis* recounts the surprising origin story of the midlife debate and traces its movement from popular culture into academia Schmidt's engaging narrative telling of the feminist construction and ensuing antifeminist backlash of the midlife crisis illuminates a lost legacy of feminist thought shedding important new light on the history of gender and American social science in the 1970s and beyond

**Perspectives on Sexuality and Gender** Elizabeth Stuart, Adrian Thatcher, 1996 This collection of articles present a variety of broadly Christian responses to issues such as sexuality and gender sexuality and spirituality gay and lesbian sexuality sexuality and violence sexuality and singleness and the family **Spiritual Direction and Midlife Development** Raymond Studzinski, 1985 **Sermons** Thomas De Witt Talmage, 1872 **The Presbyterian**, 1895 **Am I Sleeping with the Enemy?** Ron Clark, 2010-07-01 When a boy cries his father trains him in the way of the ancients He is taught to man up and rejects anything feminine in his life Thus he begins the process of becoming a man in the image of his culture This transformation comes at the expense of his own calling to reflect the image of God Men and women however were both created in this divine image and were meant to live in harmony rather than enmity Recently influential Christian writers and leaders have suggested that men have become too feminized and need to return to their calling to be real men Clark believes that this new masculinity is in reality a return to the way of the ancients Drawing from his experiences as a minister domestic and sexual violence prevention advocate and community leader Clark suggests that Jesus came to redefine masculinity and resist the cultural view of manhood power and oppression **Coping with Male Mid-life** Sharan B. Hill, 2007 Honey Baby Sweetums Pookie Who knew those sweet androgynous pet names are the first step toward a nonexistent sex life And all those personal grooming activities you used to hide Believe it or not sharing them with your partner puts you on the fast track toward killing a healthy sexual relationship Stop Calling Him Honey and Start Having Sex is a smart sassy and honest guide for women of all ages and looks at the root causes of sexual boredom in a revolutionary way Authors Maggie Arana and Julienne Davis have discovered that it s the everyday things we say and do that sabotage sexual chemistry They dare to pull back the sheets to examine the subtle yet powerful ways we re dulling our desire for our partners while giving simple and practical solutions to rekindle the fire in our relationships This non therapy speak guide explains why date nights and sex in different locations are only Band Aid solutions The truth is if you don t feel like having sex anymore forcing yourselves to do it on the kitchen table is not going to fix the problem In Stop Calling Him Honey and Start Having Sex you ll also learn Why arguing is an important factor in bringing couples closer together Why it is critical to maintain a sense of individuality How sexuality doesn t hinge on having the perfect body but

rather on how a woman feels about herself and how she projects those feelings to her partner If your sex life reads more like a service manual than a romance novel stop calling him honey and start rekindling the flame of desire *Straight Talk to Men* James C.
