Mighty Juggler Going Full Circle:

The Mighty Juggler Rita S Varma,2015-11-25 How come he had landed at this tiny town he wondered It appeared to him a very odd choice Then it occurred to him He was merely being guided by some unseen force Like when one drops a coin and cannot find it after frantically searching for it In desperation one drops another coin of the same denominator in perhaps the identical manner to follow its trail as it rolls off It is most likely that the second coin shall land up in close vicinity of the former So in that sense the second inning is of commendable value for searching the first for some meaning worthy of assessment

Pontypool Changes Everything Tony Burgess,2010-12-15 A compelling terrifying story of a devastating virus You catch it in conversation and once it has you it leads you into another world where the undead chase you down the streets

The Bewdley Mayhem Tony Burgess,2022-08-03 Together for the first time the complete Bewdley trilogy will alter your imagination as it details the strange dark happenings in a rural Ontario town The Hellmouths of Bewdley is a series of 16 stories hiding in a novel about a small town in Ontario s cottage country Navigating through drunk and dead men prisons and suicides and mad doctors these short stories act as a halfway house for literary delinquents Pontypool Changes Everything is the terrifying story of a devastating virus Caught through conversation once it has you it leads you into another world where the undead chase you down the streets of the smallest towns and largest cities In Caesarea everybody s embarrassed and nobody is mentioning the mess Caesarea you see is the town that can t get to sleep at night Only Burgess demands answers to the really big question Who s been sleeping in your bed With a preface by Jonathan Ball Praise for Tony Burgess These stories are universally dark and not for the timid or prudish A subtle horror invades the fine writing intimate biological details of violent death are revealed in a manner that suggests Stephen King having a confidential chat with Hieronymus Bosch in the north woods What Burgess reveals is that the dark edges of humanity we stereotypically equate with the urban are present and even more threatening in areas with no 911 service Quill Quire on The Hellmouths of Bewdley Pontypool Changes Everything may be one of the most genuinely horrifying horror novels as opposed to simply discomforting sickening or terrifying although it is all of these as well that I have ever read Horrorscope
