**Sustainable Youth Ministry** Mark DeVries, 2010-01-28 One of the big problems in youth ministry is the constant turnover of youth ministers Mark DeVries addresses the problem with a systematic answer churches need to take corporate responsibility for establishing a vision and structure for effective ministry rather than leaving it all up to the youth minister Especially helpful for senior pastors and church leaders *Climbing the Ladder for Christ* Jack Smith, 2008 Smith offers a fresh perspective on applying the principles and methods for more effective pastoral leadership by using simple thought processes and tools Ministry Pastoral Resources Guidelines for drinking-water quality: small water supplies World Health Organization, 2024-02-14 Small drinking water supplies commonly experience operational managerial technical and resourcing challenges that impact their ability to deliver safe and reliable services The needs and opportunities associated with these supplies therefore warrant explicit consideration in policies and regulations These Guidelines specifically tailored to small water supplies build on over 60 years of guidance by the World Health Organization WHO on drinking water quality and safety They focus on establishing drinking water quality regulations and standards that are health based and context appropriate on proactively managing risks through water safety planning and sanitary inspections and on carrying out independent surveillance The guidance is intended primarily for decision makers at national and subnational levels with responsibility for developing regulatory frameworks and support programmes related to these activities Other stakeholders involved in water service provision will also benefit from the guidance in this document Designed to be practical and accessible these Guidelines offer clear guidance that is rooted in the principle of progressive improvement State of the art recommendations and implementation guidance are provided drawn from a comprehensive evidence review and established good practices Additionally case examples are provided from countries and areas around the world to demonstrate how the guidance in this publication has been implemented in practice in a wide variety of contexts Together with WHO's 2024 Sanitary inspection packages a supporting tool for the Guidelines for drinking water quality small water supplies these Guidelines update and supersede WHO's 1997 Guidelines for drinking water quality Volume 3 surveillance and control of community supplies Key changes to this updated publication include a greater focus on preventive risk management and a broader range of small water supplies covered including those managed by households communities and professional entities

*Deep Roots* Michael A. Milton, 2025-01-28 Church planting is a rigorous and rewarding endeavor that requires more than preaching ability it demands the creation of a deeply rooted gospel centered community In *Deep Roots Toward a Biblical Theological Framework for Church Planting* Michael A Milton offers a compelling guide to the theological pastoral and practical dimensions of church planting As part of the respected D James Kennedy Institute series this work serves as both a roadmap and a theological syllabus for leaders seeking to plant and sustain vibrant congregations Milton emphasizes that church planting is fundamentally a shepherd's work nurturing guiding and cultivating a community of faith with spiritual

integrity at its core Success in this calling requires more than eloquent sermons it necessitates creating an environment where the gospel thrives and disciples are made
