CB400 - INTRODUCTION

Re. Index:

Give complete information when ordering service parts. Always give complete part number and also complete part description. The model number and serial number should always be given. Numbers for this unit are stamped on a plate located on the right side of the Main Frame adjacent to the Cylinder Shaft Bearing.

"Right" and "Left" are determined from a position standing behind the unit and facing toward the Discharge Chute. From this position, the Transmission and Drive are on the "Left" side.

NOTE: This will list common hardware such as nuts, bolts, etc. listed but not illustrated in parts list in this manual. Hard ware listed with the particular part is for assembly purposes and is not included when the part is ordered for replacement.

Gehl Company reserves the right to make changes or improvements in the design or construction of any part without incurring the obligation to install such changes on any unit previously sold.
