**Tracks of Hope** Don Bendell, **Congressional Record** United States. Congress, 2000 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789-1824 the Register of Debates in Congress 1824-1837 and the Congressional Globe 1833-1873 *Missing Persons* -2- Leonard Lowe, 2024-08-10 These cases leave you speechless The 411 cases truly give you goosebumps and leave the reader bewildered shaking their head and stunned Exciting I devoured the books everything very exciting eerie and creepy Not just for X-Files fans Highly recommended Very exciting I read both the 1st and 2nd parts in one go Some cases read as creepy Why do people always get tired just before they disappear and why do they always take off their shoes Most are found dead miles away Or never again Interesting exciting eerie I stumbled upon the topic Missing 411 rather by chance This book is very interesting exciting eerie and when you see the cases side by side commonalities patterns emerge What could be going on there I have read volumes 1 and 2 and both are fantastic More cases More details Creepier than ever The list of missing people continues And the eeriest cases are yet to come A common feature among many is that the victims behave inexplicably as if something or someone has stolen their sanity They walk, flee, stumble, and run as if in a dream straight into the wilderness and to their doom Who or what could cause this Why do the victims in these cases seemingly lose their minds before they disappear Some of the victims remain missing forever never to be found And this despite extensive search efforts the use of the latest technology

helicopters infrared heat sensing cameras drones specialized search dog teams thousands of searchers and weeks of searching with almost every meter being combed step by step in search of the missing or any tiny traces indicating their whereabouts Those who are found again are either so far from where they disappeared that it is not only questionable how they got there but also why they would have traveled such a distance voluntarily or fleeing from what Many however remain missing forever They never reappear Search dogs find no trace as if these people had never existed as if they had been swallowed by the proverbial earth These are their stories     *The Cold Vanish* Jon Billman,2020-07-07 Perfect for readers of Jon Krakauer and Douglas Preston this authentic and encyclopedic book examines real life cases of those who vanish in the wilderness without a trace Roman Dial and those eccentric determined characters who try to find them These are the stories that defy conventional logic The proverbial vanished without a trace incidences which happen a lot more and a lot closer to your backyard than almost anyone thinks These are the missing whose situations are the hardest on loved ones left behind The cases that are an embarrassment for park superintendents rangers and law enforcement charged with Search Rescue The ones that baffle the volunteers who comb the mountains woods and badlands The stories that should give you pause every time you venture outdoors Through Jacob Gray's disappearance in Olympic National Park and his father Randy Gray who left his life to search for him we will learn about what happens when someone goes missing Braided around the core will be the stories of the characters who fill the vacuum created by a vanished human being We'll meet eccentric bloodhound handler Duff and R.C. his flagship purebred who began trailing with the family dog after his brother vanished in the San Gabriel Mountains And there's Michael Neiger North America's foremost backcountry Search Rescue expert and self-described bushman obsessed with missing persons And top researcher of persons missing on public wildlands Ex San Jose California detective David Paulides who is also one of the world's foremost Bigfoot researchers It's a tricky thing to write about missing persons because the story is the absence of someone A void The person at the heart of the story is thinner than a smoke ring invisible as someone else's memory The bones you dig up are most often metaphorical While much of the book will embrace memory and faulty memory history *The Cold Vanish* is at its core a story of now and tomorrow Someone will vanish in the wild tomorrow These are the people who will go looking     *Missing* Arlyn Atadero,2017-02-07 Discover the bombshell cold case that rocked the state of Colorado for five years and changed the way many viewed their world forever On October 2nd 1999 3 year old Jaryd Atadero vanished on a group hike in the Comanche Peak Wilderness As hours turned into days and days into months Jaryd's father Allyn goes through hell and high water to combat nightmarish circumstances hindering the search threatening the very core of his existence circumstances which would bring most ordinary people to the breaking point and beyond Sound like fiction It isn't And it's only the very tip of the iceberg But underlying the tragedy is an insurmountable hope that can only come from above and a sustaining love that redefines what it means to be a follower of Christ in the throes of losing the most precious thing on earth to a parent Missing When the Son Sets lets you step into the

heart and soul of Allyn and his family as they struggle to come to grips with a mystery that remains unsolved to this day Including the real police reports and letters from those involved in the search You get an unfiltered look at how emotionally exhausting it is to lose a child How did Jaryd vanish Who or what took him The book will leave you with more questions than answers but with a heightened sense of the reality we live in This is the most emotionally challenging book I have ever read There were parts that left me feeling drained and others that left me downright angry If I had been in Allyn s shoes when he had to confront some of the situations he was faced with I d still be on probation Do yourself a favor and pick up this book Despite the tragic nature of the story the grating frustrations faced by the Atadero family and those who fought for them there is a strong inspirational foundation that will leave you strengthened in the end Zebulon Rogers *The New York Times Index* ,1999 **Missing** Allyn Atadero,2015-12-15 A day celebrating the beauty of God s handiwork turns into a father s worst nightmare as the sun sets on his only son Jaryd Atadero lost in the Colorado Mountains A highly publicized search breaks into a national story as reports surfaced concerning Jaryd s whereabouts Did Jaryd fall prey to a territorial mountain lion Was he a victim of the elements Did someone take Jaryd off the mountain Is Jaryd alive or did he become the victim of a notorious serial killer The second edition includes new theories and thoughts provided by experts in the field of criminal investigation Missing When the Son Sets The Jaryd Atadero Story is the personal account of a father s painful search to discover the truth
