## To Whom It May Concern

I would like to recommend Alice Wonder for a specialization in cardiac care at Health One. As her trainer during her nursing training and later her supervisor, I affirm her ability to constantly deliver the highest quality of patient care which I am sure will be of great use during her specialization tenure.

Alice has been invaluable to Northwest Community Hospital owing to her ability to manage emergencies in a proactive manner. Her compassion and conscientiousness has been the talk of the A&E and she has been encouraged constantly to pursue what she works best in - cardiac care.
