**25 Toughest Sales Objections-and How to Overcome Them**

Stephan Schiffman, 2011-05-23 Turn common objections into BIG OPPORTUNITIES. It costs too much. We're switching to overseas vendors. Let me think about it. NO. You can do one of two things when a customer is reluctant to buy. You can back off or go in for the kill. 25 Toughest Sales Objections and How to Overcome Them helps you choose which direction is the best approach and gives you the tools you need to defeat that obstacle and make the sale. Bestselling author and renowned sales guru Stephan Schiffman has tapped into his decades of hands-on experience training sales professionals and has boiled his list of objections down to the top 25 most frustrating universal issues. Through sample dialogues and occasionally humorous examples, any salesperson can relate to Schiffman's solutions to help turn any No into a done deal. At long last, the sales objection has met its match. Stephan Schiffman provides you with an arsenal that helps you combat any negative response and in the process turns perceptions of you from sales rep to ultimate problem solver.

**Sales Objections** Philippe Massol, 2020-01-27 Any potential customer will

resist in front of a salesman and for that, How to react to an objection. What are the different types of objections? In this book, we will discuss the main categories of objections and learn how to respond to the most common objections and overcome them more easily. You will then be able to avoid unpleasant situations and deal with unsettling customers or buyers. This book is unique because it will give you a European point of view on how to overcome objections. Its style and approach is complementary to the books you are used to. Content of the book: Why are there objections? The real objections. The client tells you that he's not convinced. The customer tells you that he doesn't understand how the product is going to help him. The client tells you that he needs to think. The client tells you that he needs to talk to someone before he decides. The client tells you he wants to analyze the competition first. The customer asks you what your competitors are doing. Status quo objections. The customer tells you that he already has a supplier and that he is happy with it. The customer tells you that he already has a supplier and that he has a good relationship with him. The client tells you he's working with your competitor. The client tells you he doesn't need anything. The client tells you that he's not interested. Postponing. The client tells you he doesn't have time to see you. The client tells you that now is not the time that you should call back later or that you should call back in a few

months The customer asks you to send documentation prior to the interview The customer asks you for documentation after the interview Price objections Put the price in perspective Chunk the price Sell at a higher price Add up the gains Lower your price I don't have enough money or I don't have a budget Other objections Silent objections Tactical objections

Unsubstantiated objections It is my policy never to sign for the first time Objections that do not deserve a

response Conclusion **Salesmanship And Sales Management** Promod K Sahu, 2003-11-01 Salesmanship today comprises a wide range of activities and constitutes an integral part of management This book presents the basic elements of the subject in a simplified and graded approach Maintaining the features of the earlier edition all the chapters of this edition are qualitatively updated The examples and illustrations in the book are drawn from realistic situations which help the reader develop winning confidence
