Oversharing Presentations Of Self In The Internet Age:

Oversharing: Presentations of Self in the Internet Age Ben Agger, 2015-02-11 People overshare when they interact with others through the screens of computers and smartphones Oversharing means to divulge more of their inner feelings opinions and sexuality than they would in person or even over the phone Text messaging Facebooking tweeting camming blogging online dating and internet porn are vehicles of this oversharing which blurs the boundary between public and private life This book examines these presentations of self acknowledging that we are now much more public about what used to be private With this second edition Agger adds a new chapter on whether privacy is possible that addresses selfies job loss due to oversharing the surveillance state and examples of when the private should go public *Families in the Digital Age* Toni Hassan, 2019-07-01 One of the most needed and grab you by the throat convincing books around today Steve Biddulph author of *Raising Boys* For parents who feel defeated by the powerful influence of social media in their children s lives this book will sympathise illuminate inspire and encourage us to believe there is another better way to live Hugh Mackay social researcher and bestselling author Smartphones and other interactive devices have turned up the volume on stress and are harming our mental and physical health They have shrunk the capacity of families to spend time together and when together they have increased conflicts Two thirds of Australian families experience tension or disagreement about screens at least three times a week In this confronting yet constructive guide on parenting in the digital age award winning journalist Toni Hassan catalogues the impacts of interactive devices on children and young people and offers ways out Rather than freeing us screens have made us dependent she says They have thinned relationships and thinned time for the things that ultimately nourish us Almost no part of children s lives are free from the anxiety created by commercial forces curating their moment to moment experiences Moving beyond the gloom Hassan offers lots of practical hope with ideas and tips for families to manage the digital age so that despite the challenges children and young people can thrive **Illuminating**

How Identities, Stereotypes and Inequalities Matter through Gender Studies D. Nicole Farris, Mary Ann Davis, D'Lane R. Compton, 2014-04-30 This collection highlights and extends contemporary women s and gender studies by presenting theoretical analyses and innovative research conceptualizations applications and methodologies via a diverse variety of popular in the classroom topics such as changing masculinities comedic dramatic portrayals of ethnicity and discrimination stigma and differences within mainstream media gender stereotypes intersections of gendered and sexual identities in social media and fundamental institutions These topics emphasize relevant issues and nuances within popular culture identities and perceptions and social problems and illustrate the breadth of gender studies and its applications while the diverse methodologies like historical comparisons ethnographic demographic and statistical analyses demonstrate its epistemology Each chapter remains solidly founded in gender theory while making significant innovative contributions to the overall field

Paradoxes of Digital Disengagement Adi Kuntsman, Esperanza Miyake, 2022-10-04 Life is increasingly governed and

mediated through digital and smart technologies platforms big data and algorithms However the reasons practices and impact of how the digital is used by different institutions are often deeply linked to social oppression and injustice Similarly the ability to resist these digital impositions is based on inequality and privilege Challenging the ways in which we are increasingly dependent on the digital this book raises a set of provocative and urgent questions in a world of compulsory digitality is there an opt out button Where when how why and to whom is it available Answering these questions has become even more relevant since the COVID 19 pandemic In response the book puts forward the concept of digital disengagement which is explored across six key areas of digitisation health citizenship education consumer culture labour and the environment Part I examines the difficulty of opting out of compulsory digitality in a world where most things are digital by default From health apps algorithmic decision making to learning analytics opting out comes with a set of troubling consequences Part II turns to several examples of disconnection and disengagement The chapters reveal how phenomena like digital detoxes time management apps and online green spaces are co opted by the very digital systems one is trying to resist The book critiques issues relating to digital surveillance algorithmic discrimination and biased tech corporatisation and monetisation of data exploitative digital labour digitalised self discipline and destruction of the environment As an interdisciplinary piece of work the book will be useful to any scholar and activist in Digital Internet and Social Media Studies Digital Sociology and Social Policy Digital Health Media Popular and Communication Studies Consumer culture and Environment Studies
