Midnight and Moonlight are not much alike at all Midnight is sleek and black Moonlight is fluffy and white But when they ride in a box from the pet store to a new home the two cats quickly become best friends Even though Moonlight loves doll beds being cradled and guarding an aquarium full of fish Midnight would rather curl up with a dog climb a tree or catch a mouse Despite being unlike in many ways the cats soon discover that being different really does not matter when you are with your best buddy Midnight and Moonlight is a heartwarming story about two different cats who find that friendship is what matters most
