game Or a brutally delivered message These are the questions Homicide Detective Lawrence Hoskins must answer as he takes on the lead role in his first serial murder investigation But as the bodies keep coming he feels like he's the one holding the blade the one standing between life and death Under mounting pressure he turns to former colleague Cass Fletcher for help She knows how a serial killer thinks and why they can't stop If she can tell him why perhaps it will lead him to who Except Hoskins has already made one mistake he's not aware of Involving Fletcher is another And as the killer continues to elude him the case takes its toll in ways he never expects More so when the signs start pointing in a new direction Five beautiful boys lined up in a row No longer unnoticed but seen by all The officers who killed them soon everyone will know Because the tougher they act the harder they fall If you are looking for a series to keep you totally absorbed and wanting more this is it Loved the seriousness the humor the sadness
