Miracle Worker Study Guide Messiah College:

Jesus the Miracle Worker Graham H. Twelftree, 1999-05-25 Graham Twelftree extensively examines the miracles of each Gospel narrative. He weighs their historical reliability and considers the question of miracles and the modern mind.

Seeing the Messiah Jonathan Kendall, 2025-07-14 Apparitions are real. The evidence for their objective nature is immense and they are frequently not the transparent non-physical manifestations depicted by Hollywood and popular culture. Moreover, some apparitions demonstrate blatantly physical characteristics to the point that they may be initially mistaken for real people. *Seeing the Messiah* takes readers on a tour of case studies from eight well-evidenced categories of apparitions that occur in nature. These categories include visions of the bereaved, those that linger in haunted houses, figures that materialize during séances, and apparitions that represent religious icons such as the Blessed Virgin Mary. What exactly are apparitions? Visitations from the supernatural realm? Dramas created through telepathy? Dr. Kendall speculates on how these strange intrusions into our reality might best be interpreted and the implications this has for the nature of reality itself. Having established the characteristics of this phenomenon, Dr. Kendall examines claims that Menachem Mendel Schneerson, the Lubavitcher Rebbe, was raised from the dead, with special scrutiny of the post-mortem encounters of the Rebbe with his followers. He then evaluates the historical data used to support Jesus' resurrection in light of the same apparitional data. Do those who see the Messiah merely experience apparitions? **Kingdom Manifesto (Volume 1)** Nelson

Thermitus, 2020-04-14 Manifestos are very popular nowadays. Some one could argue have become infamous. Kingdom Manifesto, however, is a series of biblical studies on the Sermon on the Mount. This manifesto was originally given by the King of kings. The first volume is on the Beatitudes, which the author entitled the Beautiful Attitudes. The author, Dr. Nelson Thermitus, has done an in-depth study of the Beatitudes; he has offered different ways to apply them and live them out in your Christian walk. These beautiful attitudes, once applied with the help of the Holy Spirit, will help you to become a better disciple of our Lord and Savior, Jesus Christ. The values of the kingdom are thoroughly explained. The book will aid you in assessing your values with those of the King and require a change in your behavior. This book could serve as a personal devotional or personal Bible study; it is also perfect for small group Bible studies. The author believes that Kingdom Manifesto can truly change the world and make it a better place. Happy reading. *Jesus and Paul* B. J. Oropeza, Douglas C. Mohrmann, C. K. Robertson, 2019-06-27 James D. G. Dunn has been one of the most influential New Testament scholars of the late 20th and early 21st centuries. His works have altered the very way biblical theologians view Jesus and Paul. This book is written in gratitude of his influence and mentorship. The focus of the work parallels the major research of Dunn's career. It emphasizes the life and teachings of Jesus as remembered by his disciples, the new perspective on Paul's teachings in the Pauline letters, and relevant topics related to ancient Judaism, the Law, Soteriology, and Christology in the New Testament. In 2005, another festschrift for James D. G. Dunn's 65th birthday was published with essays by Professor Dunn's many colleagues and friends. In

this volume a new generation of scholars who are being widely recognized in their own contributions and publications now honour their former teacher and demonstrate to the scholastic community the breadth of his influence Jesus' Resurrection and Apparitions Jake O'Connell,2016-11-03 Did Jesus rise physically from the dead or did he rise as a real non bodily apparition like those reported in the parapsychological literature In this book which is the first book length examination of the question in over fifty years Jake O Connell argues in favor of the physical resurrection hypothesis In order to do so he employs Bayes Theorem a mathematical theorem which encapsulates the way humans think when they analyze the probability of a hypothesis In addition he provides a thorough overview of the evidence for the reality of apparitions of the dead *Evidence for God* William A. Dembski,Michael R.
