## **Misericordia Spanish Benito Perez Galdos:**

**The Jew in the Novels of Benito Perez Galdos** Sara E. Schwyter, 1978 A study of Galdos's Jewish characters and what they tell us about the place of Jews in 19th Spanish society and culture Few Spanish novelists have dealt with the problem of religion and religious commitment more comprehensively than Benito Pérez Galdós His lifelong preoccupation with man in search of transcendence repeatedly led him to evaluate and criticize the religious institutions that stifled rather than helped man in his search In the Jews Galdós saw a people who though victimized by religious intolerance managed to survive persecution and affirm an abiding faith in God He created Jewish characters throughout his long literary career and therefore presents the most comprehensive portrait of Jews as they existed in the culture the religion and fabric of 19th Spanish society Misericordia Benito Pérez Galdós, 1976 *Misericordia* Benito Pérez Galdós, 1978 Literature and Money, 2023-12-18 At a time when the dull rationality of the money calculus seems to be making ground in every sphere it is perhaps opportune to reopen the question of literature and its relations with a rationality defined according to the logic of economic exchange what kinds of value flow from such a rationality and what possibilities of resistance are there if we happen not to like the model and its more rebarbative ideological implications Historically attempts to reduce the richness of human exchange to utilitarian or economic paradigms have met with counter cultural expressions of dissent and defiance And yet the search for an authentic community outside the reifications and repressions of economic exchange presents its own ambiguities and pitfalls since the attempt to ground value in other spheres can function ideologically to secure and legitimize the very values it seeks to oppose This is especially true in literature and other expressions of high culture where mobilizations of the aesthetic or the textual as a site of resistance to economic hegemony are frequently recuperated in advance by the dominant discourse The essays collected here tend then to explore in various ways not only the ideological implications of literary or more broadly cultural representations or constructions of economic exchange but also the often complex mediations that such constructions enter into with different kinds of oppositional discourse *A Companion to Spanish Environmental Cultural Studies* Luis I. Pradanos, 2023 An exploration of how writers artists and filmmakers expose the costs and contest the assumptions of the Capitalocene era that guides readers through the rapidly developing field of Spanish environmental cultural studies From the scars left by Franco's dams and mines to the toxic waste dumped in Equatorial Guinea from the cruelty of the modern pork industry to the ravages of mass tourism in the Balearic Islands this book delves into the power relations material practices and social imaginaries underpinning the global economic system to uncover its unaffordable human and non human costs Guiding the reader through the rapidly emerging field of Spanish environmental cultural studies with chapters on such topics as extractivism animal studies food studies ecofeminism decoloniality critical race studies tourism and waste studies an international team of US and European scholars show how Spanish writers artists and filmmakers have illuminated and contested the growth oriented and neo colonialist assumptions

of the current Capitalocene era Focussed on Spain the volume also provides models for exploring the socioecological implications of cultural manifestations in other parts of the world CONTRIBUTORS Eugenia Afinogu nova Samuel Amago Daniel Ares L pez Kata Beilin John Beusterien Miguel Caballero V zquez Jorge Catal Glen S Close Jeffrey K Coleman Jamie de Moya Cotter Ana Fern ndez Cebri n Ofelia Ferr n Tatjana Gajic Pedro Garc a Caro Santiago Gorostiza Germ n Labrador M ndez Maryanne L Leone Shanna Lino Jorge Mar Jos Manuel Marrero Henr quez Maria Ant nia Mart Escayol Christine Mart nez Cristina Mart nez Tejero Micah McKay Pamela F Phillips Merc Picornell Luis I Pr danos C ile Stehrenberger John H Trevathan Joaqu n Valdivielso William Viestenz Maite Zubiaurre
