Misers Daughter William Harrison Ainsworth:

The Miser's Daughter William Harrison Ainsworth, 1842 **The Miser's Daughter** William Harrison Ainsworth, 2017-04-14 *The Miser's Daughter* is a novel by William Harrison Ainsworth serially published in 1842. It is a historical romance that describes a young man pursuing the daughter of a miserly rich man during the 18th century. Ainsworth wrote *The Miser's Daughter* in 1842 while he was writing *Windsor Castle*. During this time he was constantly working and stopped only when his mother Ann Ainsworth died on 15 March 1842. It was published in a serialised form in the *Ainsworth's Magazine* with some overlap with *Windsor Castle*. George Cruikshank served as illustrator. The work was later published in novel format but it did not include all of the illustrations used in the magazine. A play version was put on by Edward Stirling at Adelphi in October 1842. Another version was produced by T P Taylor in November 1842 at the City of London Theatre. In April 1872 a version of *The Miser's Daughter* called *Hilda* was produced for the Adelphi Theatre by Andrew Halliday. This prompted Cruikshank on 6 April 1872 to write a letter to *The Times* about the theatrical production. In the letter Cruikshank was upset that his name was left out of credits for the play and claimed that the idea for the novel came from himself and not from Ainsworth. This provoked a controversy between the two.

The Miser's Daughter William Harrison Ainsworth, 2015-12-13 *The Miser's Daughter* is a novel by William Harrison Ainsworth serially published in 1842. It is a historical romance that describes a young man pursuing the daughter of a miserly rich man during the 18th century. Ainsworth prefaces his novel with a discussion of greed. To expose the folly and wickedness of accumulating wealth for no other purpose than to hoard it up and to exhibit the utter misery of a being who should thus surrender himself to the dominion of Mammon is the chief object of these pages. However Ainsworth does not describe miserliness in any uniform manner. Likewise the miser Scarve is someone who is sometimes depicted in a way that could provoke pity and sometimes depicted as someone to dislike. His death all alone takes a different tone from the rest of *The Miser's Daughter* but it is done to reinforce what Ainsworth states in the preface. *The Miser's Daughter* was intended as a period novel dealing with the 18th century. The subplots allow for the introduction of the period and serve to comment on aspects of London life. The events allow for the social values held by the different characters to be revealed and discussed. A major aspect of the work deals with inheritance and wills, a legal concept Ainsworth knew of from his background working as a lawyer earlier in his life. The will in the novel allows for the plot to progress while also allowing for a commentary on how the law affects people.
