English Grammar For Dummies Geraldine Woods,2001-07-15 A few years ago a magazine sponsored a contest for the comment most likely to end a conversation The winning entry I teach English grammar Just throw that line out at a party everyone around you will clam up or start saying whom Why does grammar make everyone so nervous Probably because English teachers for decades no for centuries have been making a big deal out of grammar in classrooms diagramming sentences and drilling the parts of speech clauses and verbals into students until they beg for mercy Happily you don t have to learn all those technical terms of English grammar and you certainly don t have to diagram sentences in order to speak and write correct English So rest assured English Grammar For Dummies will probably never make your English teacher s top ten list of must read books because you won t have to diagram a single sentence What you will discover are fun and easy strategies that can help you when you re faced with such grammatical dilemmas as the choice between I and me had gone and went and who and whom With English Grammar For Dummies you won t have to memorize a long list of meaningless rules well maybe a couple in the punctuation chapter because when you understand the reason for a particular word choice you ll pick the correct word automatically English Grammar For Dummies covers many other topics as well such as the following Verbs adjectives and adverbs oh my Preposition propositions and pronoun pronouncements Punctuation The lowdown on periods commas colons and all those other squiggly marks Possession It s nine tenths of grammatical law Avoiding those double negative vibes How to spice up really boring sentences like this one Top Ten lists on improving your proofreading skills and ways to learn better grammar Just think how improving your speaking and writing skills will help you in everyday situations such as writing a paper for school giving a presentation to your company s big wigs or communicating

effectively with your family You will not only gain the confidence in knowing you re speaking or writing well but you ll also make a good impression on those around you *The Illustrated American* ,1890 Nutrition For Dummies Carol Ann Rinzler,2003-11-21 Do you want fries with that You probably know the right answer to that question from a nutritional standpoint In fact if you re among the 60% of Americans who are overweight you probably know that you should forgo the burger too But good nutrition isn t just about eating less it s about eating right whether you weigh in at 95 or 295 A perennial favorite Nutrition for Dummies 3rd Edition is packed with practical sensible advice on healthy eating cutting calories and finding a good nutritional balance Balance is the key word This book helps you make wise food choices and maintain a healthy weight and lifestyle You ll discover how to Interpret nutritional labels and distinguish good fat from bad Preserve nutrients when cooking Meet your nutritional needs if you are a vegetarian or a vegan Eat smart when you re eating out Select a weight loss plan that works Written by Carol Ann Rinzler the author of 20 books on food and health including Nutrition for Dummies and Controlling Cholesterol For Dummies this classic guide has been extensively updated over 25% of the material is new and covers the latest information on nutrition including The lowdown on fat and cholesterol New information on genetically engineered foods and biotechnology Clarified Dietary Guidelines for Americans including an updated list of the Recommended Dietary Allowances RDAs The scoop on energy drinks and trans fats Complete with a list of superstar foods ten easy ways to cut calories and great Web sites loaded with nutritional information Nutrition for Dummies 3rd Edition tells you what you need to know to eat healthier at home or on the go **The Official Organ** ,1889
