USAF Formal Schools United States. Department of the Air Force,1987 **Your Call Is Important To Us** Adam Wasserman,2014-08-08 Welcome back to the Bunker an orderly underground utopia where everyone s needs have been satisfied Barney Max is a trustworthy citizen with an impeccable record of achievement But one daystretch on his way to Mars for an interplanetary conference he finds himself added to the Thousand Most Wanted List For no apparent reason at all And he s allowed to walk free Thus begins Barney Max s unexpected and entirely unwelcome journey Deprived of his daily comforts chased by a persistent headache not to mention armed guardians from Defense a secret society of vengeful cybots and an angry mob of former employees he is forced to confront a reality he has struggled his whole life to deny The second in the Bunker series of sci fi adventure novels Your Call Is Important To Us can be read independently although it is best enjoyed in the company of its predecessor Thank You For Your Cooperation *Debates for the Digital Age* Danielle Sarver Coombs,Simon Collister,2015-11-23 By evaluating the Internet s impact on key cultural issues of the day this book provides a comprehensive overview of the seismic technological and cultural shifts the Internet has created in contemporary society Books about Internet culture usually focus on the people places sites and memes that constitute the cutting edge at the time the book is written That approach alas renders such volumes quickly obsolete This provocative work on the other hand focuses on overarching themes that will remain relevant for the long term The insights it shares will highlight the tremendous impact of the Internet on modern civilization and individual lives well after specific players and sites have fallen out of favor Content is presented in two volumes The first emphasizes the positive impact of Internet culture for example 24 hour access to information music books merchandise employment opportunities and even romance The second discusses the

Internet's darker consequences such as a demand for instant news that often pushes journalists to prioritize being first over being right online scams and invasions of privacy that can affect anyone who banks shops pays bills or posts online Readers of the set will clearly understand how the Internet has revolutionized communications and redefined human interaction coming away with a unique appreciation of the realities of today's digital world for better and for worse

The Death of Merit Conrad Riker, Are you tired of watching academia and social institutions being overrun by radical indoctrination and political correctness Are you concerned about the erosion of traditional values and the war on meritocracy Do you want to understand the origins and impact of cultural Marxism and how it's shaping our world today If your answer is yes to any of these questions then this book is for you *The Death of Merit How Cultural Marxism Hijacked Education and Society* is a must read for those seeking to understand How education has become a platform for radical indoctrination replacing objective truths with politically correct narratives Why students are being transformed from seekers of knowledge to agents of social change often at the expense of their education The role of identity politics in the propagation of cultural Marxism and its effects on social cohesion and intellectual discourse How scientific research is being distorted to fit progressive ideologies such as in the fields of gender and race studies The assault on traditional masculinity and its role in the advancement of cultural Marxism The destruction of the traditional family structure in favor of a more fluid and less stable societal structure Written from a redpilled rational and patriarchal perspective this book offers a provocative debunking of left wing progressive ideologies and their impact on our society If you want to understand the true nature of cultural Marxism and its subversion of education then buy this book today
