# Occupying Disability Critical Approaches To Community Justice And Decolonizing Disability

**Shaun Grech, Karen Soldatic**

## **Occupying Disability Critical Approaches To Community Justice And Decolonizing Disability:**

Occupying Disability: Critical Approaches to Community, Justice, and Decolonizing Disability Pamela Block, Devva Kasnitz, Akemi Nishida, Nick Pollard, 2015-09-03 This book explores the concept of occupation in disability well beyond traditional clinical formulations of disability it considers disability not in terms of pathology or impairment but as a range of unique social identities and experiences that are shaped by visible or invisible diagnoses impairments socio cultural perceptions and environmental barriers and offers innovative ideas on how to apply theoretical training to real world contexts Inspired by disability justice and Disability Occupy Wall Street Decolonize Disability movements in the US and related movements abroad this book builds on politically engaged critical approaches to disability that intersect occupational therapy disability studies and anthropology Occupying Disability will provide a discursive space where the concepts of disability culture and occupation meet critical theory activism and the creative arts The concept of occupation is intentionally a moving target in this book Some chapters discuss occupying spaces as a form of protest or alternatively protesting against territorial occupations Others present occupations as framed or problematized within the fields of occupational therapy and occupational science and anthropology as engagement in meaningful activities The contributing authors come from a variety of professional academic and activist backgrounds to include perspectives from theory practice and experiences of disability Emergent themes include all the permutations of the concept of occupy disability justice decolonization marginalization and minoritization technology struggle creativity and change This book will engage clinicians social scientists activists and artists in dialogues about disability as a theoretical construct and lived experience

Occupying Disability : Critical Approaches to Community, Justice, and Decolonizing Disability Kasnitz Block (Nishida, Pollard), 2013 **The Routledge Handbook of Disability and Sexuality** Russell Shuttleworth, Linda Mona, 2020-12-29 This handbook provides a much needed holistic overview of disability and sexuality research and scholarship With authors from a wide range of disciplines and representing a diversity of nationalities it provides a multi perspectival view that fully captures the diversity of issues and outlooks Organised into six parts the contributors explore long standing issues such as the psychological interpersonal social political and cultural barriers to sexual access that disabled people face and their struggle for sexual rights and participation The volume also engages issues that have been on the periphery of the discourse such as sexual accommodations and support aimed at facilitating disabled people s sexual well being the socio sexual tensions confronting disabled people with intersecting stigmatised identities such as LGBTBI or asexual and the sexual concerns of disabled people in the Global South It interrogates disability and sexuality from diverse perspectives from more traditional psychological and sociological models to various subversive and post theoretical perspectives and queer theory This handbook examines the cutting edge and sometimes ethically contentious concerns that have been repressed in the field With current international and comprehensive content this book is essential reading for students academics and researchers in the areas of disability gender and sexuality

as well as applied disciplines such as healthcare practitioners counsellors psychology trainees and social workers Just Care Akemi Nishida,2022-07-15 Just Care is Akemi Nishida's thoughtful examination of care injustice and social justice enabled through care The current neoliberal political economy has turned care into a business opportunity for the healthcare industrial complex and a mechanism of social oppression and control Nishida analyzes the challenges people negotiate whether they are situated as caregivers receivers or both Also illuminated is how people with disabilities come together to assemble community care collectives and bed activism resistance and visions emerging from the space of bed to reimagine care as a key element for social change The structure of care Nishida writes is deeply embedded in and embodies the cruel social order based on disability race gender migration status and wealth that determines who survives or deteriorates Simultaneously many marginalized communities treat care as the foundation of activism Using interviews focus groups and participant observation with care workers and people with disabilities Just Care looks into lives unfolding in the assemblage of Medicaid long term care programs community based care collectives and bed activism Just Care identifies what care does and asks Are some people's needs more sacred and urgent than others **Handbook of Disability** Marcia H. Rioux,Alexis Buettgen,Ezra Zubrow,José Viera,2024-04-03 This important reference work maps the terrain of disability across the world by providing an overview of issues concerns and developments in the domains of society culture medicine law policy justice education economics and science and technology It is a truly inclusive volume bringing together perspectives from researchers activists professionals service providers international development experts and policymakers based in the global North and South and it particularly focuses on the voices of the principal stakeholders disabled persons themselves Working from an interdisciplinary matrix this book reviews historical developments contemporary practices and policies It addresses hitherto uncharted areas in the disability discourse that will be significant in the years to come In the modern world the social and medical responses to disability have been separation segregation and incarceration of disabled people These responses are reflected in practices of special education building of asylums medical classifications and sheltered employment Current thinking on disability is based on the need to overcome such segregation through the enactment of human rights and socially just programmes policies and laws such as inclusive education affirmative action reasonable accommodation and supported decision making This book explores The evolution of the concept of disability over space and time and identifies approaches to disability debility equality and equity Broad trends in research on disability across the world New directions in work on disability The emergence of a global disability movement and its etiology Intersections of disability with other demographic variables like gender race caste and age and Historical and socio economic interfaces with colonialism globalization and social development Spread over 14 sections and spanning more than 80 chapters this volume is the most comprehensive up to date reference work available on the subject Disability in the Global South Shaun Grech,Karen Soldatic,2016-11-08 This first of its kind volume spans the breadth of disability research and practice

specifically focusing on the global South Established and emerging scholars alongside advocates adopt a critical and interdisciplinary stance to probe challenge and shift common held social understandings of disability in established discourses epistemologies and practices including those in prominent areas such as global health disability studies and international development Motivated by decolonizing approaches contributors carefully weave the lived and embodied experiences of disabled people families and communities through contextual cultural spatial racial economic identity and geopolitical complexities and heterogeneities Dispatches from Ghana Lebanon Sri Lanka Cambodia Venezuela among many others spotlight the complex uncertainties of modern geopolitics of coloniality emergent forms of governance including neoliberal globalization war and conflicts the interstices of gender race ethnicity space and religion structural barriers to redistribution and realization of rights and processes of disability representation This handbook examines in rigorous depth established practices and discourses in disability including those on development rights policies and practices opening a space for critical debate on hegemonic and often unquestioned terrains Highlights of the coverage include Critical issues in conceptualizing disability across cultures time and space The challenges of disability models metrics and statistics Disability poverty and livelihoods in urban and rural contexts Disability interstices with migration race ethnicity gender and sexuality Disability religion and customary societies and practice The UNCRPD disability rights orientations and instrumentalities Redistributive systems including budgeting cash transfer systems and programming Global South North partnerships intercultural methodologies in disability research This much awaited handbook provides students academics practitioners and policymakers with an authoritative framework for critical thinking and debate about disability while pushing theoretical and practical frontiers in unprecedented ways

**The Routledge International Handbook on Decolonizing Justice**  
Chris Cunneen, Antje Deckert, Amanda Porter, Juan Tauri, Robert Webb, 2023-07-03

The Routledge International Handbook on Decolonizing Justice focuses on the growing worldwide movement aimed at decolonizing state policies and practices and various disciplinary knowledges including criminology social work and law The collection of original chapters brings together cutting edge politically engaged work from a diverse group of writers who take as a starting point an analysis founded in a decolonizing decolonial and or Indigenous standpoint Centering the perspectives of Black First Nations and other racialized and minoritized peoples the book makes an internationally significant contribution to the literature The chapters include analyses of specific decolonization policies and interventions instigated by communities to enhance jurisdictional self determination theoretical approaches to decolonization the importance of research and research ethics as a key foundation of the decolonization process crucial contemporary issues including deaths in custody state crime reparations and transitional justice and critical analysis of key institutions of control including police courts corrections child protection systems and other forms of carcerality The handbook is divided into five sections which reflect the breadth of the decolonizing literature Why decolonization From the personal to the global State terror and violence Abolishing the carceral Transforming and

decolonizing justice Disrupting epistemic violence This book offers a comprehensive and timely resource for activists students academics and those with an interest in Indigenous studies decolonial and post colonial studies criminal legal institutions and criminology It provides critical commentary and analyses of the major issues for enhancing social justice internationally The Open Access version of this book available at [www.taylorfrancis.com](http://www.taylorfrancis.com) has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

An African Path to Disability Justice Oche Onazi, 2020-02-07 How should disability justice be conceptualised not by orthodox human rights or capabilities approaches but by a legal philosophy that mirrors an African relational community ideal This book develops the first comprehensive answer to this question through the contemporary literature on African philosophy which is relied upon to construct a legal philosophy of disability justice comprising of ethical ideals of community human relationships and obligations From these ideals an African legal philosophy of disability justice is offered as a criterion for critically evaluating existing laws legal and political institutions as well as providing an ethical basis for creating new ones to ensure that they are inclusive to people with disabilities In taking an alternative perspective on the subject the book outlines and emphasises the need for a new public culture of obligations owed to people with disabilities highlighting both the prospects and difficulties of achieving the ideal of disability justice that continues to elude the lived experiences of millions of Africans today Oche Onazi's *An African Path to Disability Justice* is the first book length exploration of disability in the light of African ethics as contrasted with the human rights and capabilities frameworks Of particular interest are Onazi's thoughtful reflections on how various conceptions of community salient in African moral philosophy including group based reciprocal and relational bear on what we owe to the disabled Thaddeus Metz Distinguished Professor University of Johannesburg

*DisCrit Expanded* Subini A. Annamma, Beth A. Ferri, David J. Connor, Alfredo J. Artiles, 2022 The grounding assumption that undergirds Disability Critical Race Theory DisCrit is that racism and ableism are mutually constitutive and collusive always circulating across time and context in interconnected ways Through we originally wrote DisCrit in 2013 and have written a number of projects with it as the foundation DisCrit rapidly expanded far beyond our own work In tracing this reverberation we are struck by the ways DisCrit has been taken up expanded upon and used as a jumping off point for further creative articulations The dynamic landscape of scholarship taking up DisCrit reflects its role in fostering a transgressive space that has generated critical questions looking outward inward and across differences and divides Following an introduction by a intellectual forerunner to DisCrit Alfredo Artiles is a three part edited book organized around central inquiries that are directed outward inward as well as across or margin to margin Through each section authors answer these central inquiries by applying DisCrit across theoretical methodological and analytical spaces to shift praxis exploring who we are answerable to axiologically and expanding beyond missing pieces or silences associated with DisCrit The closing chapter synthesizes ruptures including issues raised and explored in the present text and look toward the future of how DisCrit can be useful in developing more

complex understandings of inequalities with view to working toward countering them in different yet interconnected levels including the personal the professional and the structural      **Global Perspectives on Disability Activism and Advocacy**  
Karen Soldatic, Kelley Johnson, 2019-08-22 This book explores the diverse ways in which disability activism and advocacy are experienced and practised by people with disabilities and their allies Contributors to the book explore the very different strategies and campaigns they have used to have their demands for respect dignity and rights heard and acted upon by their communities by national governments and the international community The book with its contemporary global focus makes a significant contribution to the field of disability and social justice studies particularly at a time of major social political and cultural upheaval Global Perspectives on Disability Activism and Advocacy offers a significant intervention within the field of disability at a time of major social upheaval where actors advocates and activists are seeking to hold onto existing claims for rights equality and disability justice
