

**Organization Development:  
Principles, Processes, Performance  
(Publication in the Berrett-Koehler  
Organizational Performance) by Gary  
N McLean**

[Well-Balanced, Realistic, And Inclusive](#)

Bridging the gap between heavy theory and heavy practice, Organization Development provides an emphasis on performance and results in addition to an overview of tools, techniques, and processes. Covering basic steps such as marketing, start-up, planning, and evaluation, the book includes a comprehensive discussion of implementation from the individual level to the global. The book gives consultants, managers, and students of the field a holistic perspective into the full range of values that organization development has to offer.
