Designing an Efficient Management System Tanachart Raoprasert, Sardar M. N. Islam, 2010-04-15 1 1 Background of the Study Efficiency in Cross Cultural International Business Management Efficient business management is crucial in achieving corporate national or international multinational goals such as higher value comprehensiveness corporate governance etc Efficient business management can be achieved by resolving agency problems existing among different stakeholders in corporations In international business agency problems may exist between managers owners staff and other stakeholders who come from different cultures Therefore there is a need in designing efficient management of international business by influencing the factors the convergence factors which cause differences in the interests and cultures of different stakeholders International business refers to all commercial transactions between two or more nations Because it comprises a large and growing portion of current world business practice international business has received considerable attention in academic research Daniels and Radebaugh 1998 International business differs in important ways from business conducted within national borders and poses additional challenges to managers and investors in foreign countries Mahoney et al 1998 In this context Black et al 1999 state that effective management is increasingly recognized as a key determinant of success or failure arguing that the success of international business in multinational companies depends most significantly on the quality of management systems Stroh and Caligiuri 1998 As international business involves people from different cultures every business function including managing a workforce marketing output and dealing with regulators has the potential to involve cross cultural problems Zineldin 2007 *Organization Development* Donald L. Anderson, 2010 Organization Development covers the latest research in organizational development interventions and the consulting process It differs from current texts available by including more case studies and exercises for students to use in applying theoretical material to practical situations This additional material makes the text more relevant and offers instructors the ability to use one volume instead of placing materials on reserve or asking students to purchase multiple texts
