to make that miniature look life size and realistic Contained in these pages is over fifteen years of experience turning LEGO action figures and collectable figurines into works of art This book covers tips and tricks for posing figures lighting and camera techniques and so much more Inside is everything you need to know to make amazing photographs using nothing more than miniature figures and your imagination Tell your biggest stories with the smallest things **Continuing**

Professional Development of English Language Teachers Senkamalam Periyasamy Dhanavel,2022-12-12 This book provides a comprehensive understanding of India s continuing professional development CPD landscape It examines the issues surrounding the professional development of English language teachers in India at the tertiary level from multiple perspectives Further it evaluates various models of continuing professional learning CPL and emphasizes the transformative model as a solution to the social administrative or other impediments teachers encounter in their lives Importantly it presents examples solving academic and non academic problems in formal and informal and face face and technology mediated forms of teaching and learning by teachers of English in different contexts It discusses the latest developments in the literature related to the transformative and reflective approach to classroom problems faced by teachers on the ground such as classroom environment students socio economic background teachers education and teacher assessment Also it positions continuing professional development CPD as having transformative power in teaching English in India and how it can improve students learning opportunities The book is relevant to English language teachers teacher educators and researchers in India and across the globe to address significant issues in the field how to handle every classroom situation and how to train oneself as a teacher as well as a teacher educator Challenging Bias and Promoting Transformative

Education in Public Schooling Through Critical Literacy Benharris, Lyndsey Aubin,Covino, Katharine,2024-05-07 Public schooling faces a significant problem the acquisition of literacy perpetuates biases and hampers inclusive and transformative education Challenging Bias and Promoting Transformative Education in Public Schooling Through Critical Literacy offers a powerful solution Edited by Lyndsey Benharris and Katharine Covino this groundbreaking book explores how critical literacy can effectively challenge biases center marginalized voices and foster inclusive learning environments This comprehensive volume delves into collaborative critical literacy work across disciplines highlighting its efficacy in various grade levels It examines the engagement between schools and communities demonstrating how critical literacy can bridge gaps and promote transformative education The book emphasizes the importance of incorporating marginalized voices and stories and it serves as an essential resource for academic scholars seeking to create more equitable and just learning environments By integrating critical literacy into their pedagogy educators can disrupt biases amplify marginalized voices and nurture justice oriented citizens This resource equips them with research based stories practical examples and classroom experiences empowering them to transform their teaching and contribute to a more inclusive and socially conscious society *Digital Marketing. A Case Study of Adidas and Snapchat* Ricardo Escoda,2018-08-28 Case Study from the year 2018 in the subject

Business economics Offline Marketing and Online Marketing grade 1 3 International School of Management Campus Munich language English abstract Since market power has moved from enterprises to consumers and global competition has increased substantially managers in almost all industries need to face enormous performance challenges To avoid being replaced by rivals they are forced to be more innovative in establishing and performing their competitive strategies Long term success will not be achieved solely through competitiveness but instead will depend on the ability to evolve new demand and create and gather new markets Therefore marketing is one of the most fundamental topics when concentrating on the customers desires Mainly it is about picking up the clients by delivering a unique feeling in form of a must have product Adidas is counted among one of the global players of sports and lifestyle brands together with its biggest competitors Nike and Puma With an annual revenue of EUR 21 218bn in 2017 over 56 888 employees worldwide and more than 900 million products produced per year the German business is an omnipresent sports and lifestyle brand which became more and more important over the last decades According to Statista it was voted one of the ten most reputable companies worldwide in 2018 being the only sports and lifestyle brand in this ranking In addition Forbes published an article stating that Adidas reached the third place of the World s most valuable sports brands following Nike and ESPN Yet by comparing the global revenues of Adidas Nike and Puma from 2006 to 2017 it can be seen that the company founded in 1924 by Adi Dassler in a small village in Southern Germany called Herzogenaurach is lagging behind Nike s global revenues for many years This is one of the core reasons driving the brand with the three stripes to establish new marketing strategies for diversifying and simultaneously increasing its customer portfolio The sections below concern aspects referring to the research fields E Marketing and E Commerce Online Marketing Online Advertising and Social Media and Mobile Marketing A summary with the most fundamental information is provided at the end of each part

Meaningful Online Learning Nada Dabbagh, Rose M. Marra, Jane L.
