**Jana Marguerite Bennett**

## **Oriented To Faith Transforming The Conflict Over Gay Relationships:**

*Oriented to Faith* Tim Otto, 2014-07-07 Rather than embracing the conflict around gay relationships as an opportunity for the church to talk honestly about human sexuality Christians continue to hurt one another with the same tired arguments that divide us along predictable political battle lines If the world is to know that we are Christians by our love the church needs to discover better ways to live out the deep unity we share in Christ as we engage with politics and our world In *Oriented to Faith* Tim Otto tells the story of his struggle with being gay and what that taught him about the gospel With an authentic and compelling personal voice Tim invites us to explore how God is at work in the world even amidst the most difficult circumstances redeeming and transforming the church through this difficult debate With gentle wisdom and compassionate insight Tim invites all followers of Jesus to consider how we might work with God through these tensions so that all can be transformed by God's good news in and through Christ

Zeyl, 2022-02-07 *Four and a half Dialogues on Homosexuality and the Bible* explores four different interpretive approaches to biblical texts regarding homosexuality and same sex marriage Differences of interpretation are discussed openly honestly and charitably The dialogues four characters maintain friendship with each other despite their disagreements and so the book serves as a model of how difficult potentially divisive conversations on a controversial topic might be conducted Three of the four perspectives presented for examination are well represented in the existing literature the fourth is not as familiar and is offered and developed as a proposal for bridging the divide that persists among theologically conservative Christians who honor the authority of Scripture over their thinking and their living Ongoing conflict over this issue is destructive of the unity toward which the Bible summons all believers to strive and so the book includes also a call to create space for one another both individually and institutionally for differences in theological conclusions and in community practices Each of the dialogues begins with one of the characters telling their personal story regarding their sexuality continues with that character's case for their view and concludes with a series of suggested discussion questions

*The Good News about Conflict* Jenell Paris, 2016-07-01 Conflict over homosexuality in Christian churches is only intensifying We can do better We have to do better The stakes are too high to do otherwise Conflicts are difficult and ugly but the good news reaches even here It is possible to have healthy conflict to disagree and struggle together in ways that make us better and that make the church stronger By looking deeply into the nature of religious conflict we can cultivate practices and values that will mature our abilities as peacemakers and strengthen our faith and our churches

**Singleness and the Church** Jana Marguerite Bennett, 2017 Singleness is a much overlooked treasure in Christian tradition In these pages Christians single and married alike can rediscover the richness of singleness in its great

variety This book offers thought provoking cultural and theological analysis along with voices of single Christian people down through the centuries **Christlike Acceptance across Deep Difference** Ronald W. Pierce,Karen R. Keen,2025-08-26 Has your faith community been torn apart over sexuality and gender While affirming and traditionalist Christians wage culture wars many believers have left the church entirely because of disputes over how to best respond to LGBTQ people Ronald Pierce and Karen Keen show readers a different way to approach the controversy In Christlike Acceptance across Deep Difference they bring together a broad range of contributors scholarly and pastoral affirming and traditionalist evangelical mainline and Catholic who demonstrate a more constructive response to LGBTQ concerns Despite their differences the contributors unite in their commitment to biblical authority and Christlike love of neighbor They invite the church to join them in this new and better way This book offers fresh readings of Scripture models of respectful dialogue and first person insights into ministering to LGBTQ people Perfect for pastors church leaders and any Christian worried about polarization this timely volume shows readers how to forge a future shaped by Christlike acceptance **People to Be Loved** Preston Sprinkle,2015-12-08 Christians who are confused by the homosexuality debate raging in the US are looking for resources that are based solidly on a deep study of what Scripture says about the issue In People to Be Loved Preston Sprinkle challenges those on all sides of the debate to consider what the Bible says and how we should approach the topic of homosexuality in light of it In a manner that appeals to a scholarly and lay audience alike Preston takes on difficult questions such as how should the church treat people struggling with same sex attraction Is same sex attraction a product of biological or societal factors or both How should the church think about larger cultural issues such as gay marriage gay pride and whether intolerance over LGBT amounts to racism How or if Christians should do business with LGBT persons and supportive companies Simply saying that the Bible condemns homosexuality is not accurate nor is it enough to end the debate Those holding a traditional view still struggle to reconcile the Bible s prohibition of same sex attraction with the message of radical unconditional grace This book meets that need Human Sexuality 1999-2000 Susan Bunting,1999

Two Centuries of Faith Thomas H. O'Connor,2009 To celebrate the archdiocese of Boston s bicentennial this informative volume chronicles a wide range of Boston history with a particular concentration on religion Each chapter examines a different angle of the Church s past by focusing on influential figures including Bishop Cheverus John F Kennedy and Elizabeth Seton Contributors such as Libby MacDonald Bischof Fran ois Gauthier Carol Hurd Green and Rev Joseph M O Keefe SJ also provide keen insights into the future of the city and its faith in this valuable reference Changing Men ,1985
