Navigating In Educational Contexts Identities And Cultures In Dialogue:

NAVIGATING IN EDUCATIONAL CONTEXTS Anneli Lauriala, Raimo Rajala, Heli Ruokamo, Outi Ylitapio-Mäntylä, 2011-10-30 Navigating in Educational Contexts Identities and Cultures in Dialogue includes selected papers from the 2009 Biennial Conference of the International Study Association on Teachers and Teaching ISATT held at the University of Lapland in Finland. This volume contains keynote addresses and papers based on the thematic presentations held at the conference. Identity context and marginality, Professional development and learning, Context and teaching, and ICT in teaching and learning. The articles open perspectives to the challenges in education and point to the need for dialogue between different racial, cultural, social and gender groups. The articles benefit educators, teacher educators and policy makers aiming to enhance equity and equality. Insights into teachers' professional and personal knowledge are combined with wider social, cultural and global issues and through experiences of learning both in Real Life and Second Life. There are many inspiring and promising ideas and approaches of how to promote quality teaching and learning. Under network based education, the topics of ICT skills and experiences, models of ICT integration, virtual reality and a simulation based learning and online tutoring are being described and assessed. The book is rooted in the studies, practises and arguments of researchers, teachers, educators and students navigating in diverse educational contexts. It will fascinate all those involved and interested in challenging educational practises and thinking. [Navigating in educational contexts](#) Outi Ylitapio-Mäntylä, Marja-Leena Porsanger, 2009

Papers from the ISATT 2009 Conference, 2009 **From Teacher Thinking to Teachers and Teaching** Cheryl J. Craig, Paulien C. Meijer, Jan Broeckmans, 2013-07-04 This volume covers advances that have occurred in the thirty year existence of the International Study Association on Teachers and Teaching ISATT, the organization that helped transition the study of teacher thinking to the study of teachers and teaching in all of its complexities. [Creativity, Society, and the Role of Socially Engaged Art in Higher Arts Education](#) Kai

Lehikoinen, 2025-07-21 This interdisciplinary book explores socially engaged art as a subject of study and its relevance in higher arts education institutions' third mission giving back to society and engaging with the community to build a sustainable higher arts education for the future. Drawing on data from two large scale EU funded projects supplemented by interviews, educational document analysis and secondary data, this book explores emerging trends in the arts sector and the role of arts universities in cross sector collaboration, innovation and actions towards social and environmental responsibility. Chapters posit theoretical analysis, case studies and practically orientated examples from countries including the United States, Ghana, Indonesia and from across Europe to explore the growing demands for the positive societal impact of higher arts education. Located at the interface between the sociology of higher arts education and community engagement, the book explores a richness of international contexts including activism, churches, refugee work, eldercare, gender politics, prisons and many others. This timely volume responds to the urgent need to investigate the full potential of socially engaged art in higher

arts education As such it will appeal foremost to scholars researchers postgraduate students and teachers in higher arts education and the sociology of education Practitioners working in arts curriculum design university society partnerships and those focused on creating inclusive and respectful spaces in higher arts education and research will also find the volume of use
