## **Adidas Back To School Deals This Month:**

Brandweek ,2002    New York Magazine ,1997-03-03 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea    Adweek ,2000-08    Incentive ,2002 Managing and marketing through motivation

**Duplicity** Curtis Malone,2025-09-30 In Duplicity Basketball Drugs and My Double Life Curtis Malone offers readers a detailed look at his complicated life by sharing a powerful tale of hypocrisy greed betrayal failed dreams and renewed hope Curtis Malone had the charisma vision and connections to become a giant in the world of grassroots basketball He didn t just build teams he built futures transforming raw talent into college scholarships and NBA dreams On the surface he was a mentor a role model and a community leader But beneath that polished exterior lay a man caught in a dangerous web of ambition survival and duplicity that has been misunderstood and miscast by many in sports media Duplicity dives into the double life of Curtis Malone a man whose drive for power and provision blurred the lines between right and wrong Basketball gave him purpose a way to inspire and uplift But the streets offered him quick money and the means to maintain his image as a provider not just for his family but for the community he desperately wanted to support Curtis takes readers on an emotional journey as he grapples with identity manhood and the weight of his decisions He believed he could play both sides using basketball to save lives and drugs to sustain them But as the lines between these worlds blur the question looms Was he really helping or was he only perpetuating the cycles he hoped to break Duplicity is a gripping exploration of power loyalty and the choices that define us It challenges readers to consider the cost of ambition and the fragility of a life built on two conflicting foundations    **F&S Index United States Annual** ,1999    **Golden Kicks** Jason Coles,2016-09-22 Many iconic shoes such as the adidas Stan Smith Nike Air Jordan and Puma Suede are worn by millions as everyday footwear but were originally born to bring victory on court track and field Golden Kicks reveals the stories behind some of the greatest shoes in sporting history the roles they played in sport s most significant moments and how they have made the transition from classic sportswear to mainstream streetwear Discover the amazing stories behind the shoes the people who made them and the athletes who wore them    *Rising Above Sweatshops* Laura P. Hartman,Denis Arnold,Richard E. Wokutch,2003

Workers have basic rights that should not be violated notwithstanding the geographical locale of their work But those rights often appear to conflict with the economic and commercial needs of both developing nations and multinational enterprises Creative approaches are necessary if workers rights are to coexist with commercial success or even survival This book introduces the current global labor milieu and showcases innovative solutions via original case studies e g Nike Levi Strauss which demonstrate how multinational enterprises can respect worker rights while benefiting from the economic advantages

of a global labor market Part I provides an overview of global labor challenges from a broad variety of perspectives including economics public policy philosophy and strategic management The facts and contention of the new sweatshop school of thought are analyzed along with industrialization and utilization of labor in developing countries the application of basic human rights to the circumstances of workers the unique role of nongovernmental organizations in the debate over global labor practices and the Total Responsibility Management approach to implementing improved labor practices Part II analyzes case studies based on original field research of well known global corporations The examined programs provide examples of innovative responses by multinational firms the International Labor Organization and other NGOs to challenges regarding global labor practices These cases can help other firms avoid the unhappy dilemma of either exploiting workers and enduring a public relations backlash or terminating operations in various developing nations The true solution lies in companies respecting worker rights while benefiting from the economic advantages of a global labor market *NV Magazine* ,2004-02
