The ^AOxford Handbook of the Disney Musical Dominic Broomfield-McHugh, Colleen Montgomery, 2025-03-28 The Oxford Handbook of the Disney Musical both celebrates and critiques one of the most enduring global phenomena and considers many of the studio s most popular animated films as well as Disney s extraordinarily rich activities such as video games theme parks and television By using new insights from the archives and bringing together a range of disciplinary perspectives the Handbook presents an accessible but rigorous exploration of a century of cultural impact of the Walt Disney Company

Bulls Markets Sean Dinces,2018-11-05 An unvarnished look at the economic and political choices that reshaped contemporary Chicago arguably for the worse The 1990s were a glorious time for the Chicago Bulls an age of historic championships and all time basketball greats like Scottie Pippen and Michael Jordan It seemed only fitting that city county and state officials would assist the team owners in constructing a sparkling new venue to house this incredible team that was identified worldwide with Chicago That arena the United Center is the focus of Bulls Markets an unvarnished look at the economic and political choices that forever reshaped one of America s largest cities arguably for the worse Sean Dinces shows how the construction of the United Center reveals the fundamental problems with neoliberal urban development The pitch for building the arena was fueled by promises of private funding and equitable revitalization in a long blighted neighborhood However the effort was funded in large part by municipal tax breaks that few ordinary Chicagoans knew about and that wound up exacerbating the rising problems of gentrification and wealth stratification In this portrait of the construction of the United Center and the urban life that developed around it Dinces starkly depicts a pattern of inequity that has become emblematic of contemporary American cities governments and sports franchises collude to provide amenities for the wealthy at the expense of poorer citizens diminishing their experiences as fans and far worse creating an urban environment that is regulated and surveilled for the comfort and protection of that same moneyed elite
