**How To Make Money With iPhone Applications**, Beyond Piggy Banks and Lemonade Stands Liz Frazier, 2019-09-09 Beyond Piggy Banks is written for you, the loving, responsible, and overworked parent of young children. It takes the stress and mystery out of finance and focuses on the basic fundamentals elementary children should understand so they can make smart decisions as they grow. This usable, light-hearted, real-world guide provides parents with the specific tools and step-by-step lessons needed to teach their child. The lessons provided are easy to teach and understand. The activities are quick, enjoyable, and educational. Each concept starts with the basics and builds upon them so your child has a full understanding of the topic. The chapters are broken out into simple and digestible sections made for busy parents who don't have time for a finance novel. Most of all, the book focuses on how to incorporate teaching finance to your child through everyday real-world activities that you and your child are already doing. This book provides parents with the confidence to teach simple financial basics to children. With that confidence comes excitement and inspiration. By teaching your children about finance, you will influence every step of their lives in a positive and meaningful way. The ultimate goal of this book and of any parent is to raise healthy, independent, and responsible children, kids who are prepared when adulthood hits.
