Mountain Lion is the latest version of the Mac desktop operating system offering great new features for millions of users. If you're switching to a Mac upgrading from an earlier OS or just getting started with computers, Mac OS X Mountain Lion Simplified provides all information you need in the simplest way possible.

Digitizing Your Community's History Alex Hoffman, 2016-05-16. Follow the blueprint in this book to launch a library DIY community history digitization program, one that provides the access and fosters engagement with patrons to sustain the program over time. Internet technologies have enabled anyone to tell their story and to find out their own unknown story. Libraries are seeing increased interest in community and family history and in genealogy as well as heightened demand for access to personal and community history materials in digital format. The opportunity exists for libraries to benefit their communities by providing these in-demand digitized historical materials optimized for researchers at the individual level.

Digitizing Your Community's History: The Innovative Librarian's Guide provides you with step-by-step directions for launching a DIY digitization program for personal and community historical materials. It covers the process of setting up a digitization program, training customers to use the equipment, best practices for storing digitized material, and tips for engaging the community in local history, such as ideas for exhibiting materials and programs for genealogy and family history. Just as importantly, the author addresses how to explain the benefits of programs like these to library stakeholders and supplies recommendations on sustaining library community history programs through access and engagement. The book also provides supplemental materials that include templates and programming ideas, lists of recommended software and apps, and recommended specifications for equipment and for file storage.

iPhone For Seniors For Dummies Nancy C. Muir, 2016-06-02. iPhone For Seniors For Dummies 5th Edition 9781119293484 was previously published as iPhone For Seniors For Dummies 5th Edition 9781119137764. While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. Learn to navigate the iPhone like a pro. Learning to use new technology can be a bit of a challenge for seniors, especially now that smartphones are more like mobile computers. iPhone For Seniors For Dummies 5th Edition is a full-color text that guides you through easy-to-understand lessons in iPhone features and functions. This step-by-step reference explains how to use the most basic of your phone's capabilities, such as making calls and sending text messages. Additionally, this newly revised book walks you through the most exciting features of your iPhone's hardware and software, from downloading new apps to keeping your data and your phone safe. With a larger font size and illustrations, this senior-friendly resource presents information in an accessible way. iPhones are among the most popular smartphones in the world, but learning how to use one can prove difficult if you're not up to date on the latest technology. To keep up with the cool kids and make sure to use a reference that fits your needs, start from the very beginning by covering buying and getting started with your iPhone. Explore your new phone's accessibility features and dive into more complicated features as you build your understanding of the iPhone's technology. Discover new forms of entertainment, such as surfing the web on mobile Safari.
