Intermittent Fasting for Women Belinda Watts, 2016-05-21. Have you been struggling to lose weight or have a hard time recovering from health conditions and diseases? Do you feel like you have absolutely no energy to get errands done, let alone do something that you enjoy? Weight gain, fatigue, diabetes, heart disease, and insomnia are just a few health conditions that intermittent fasting can cure. I know what you are thinking: isn't fasting basically starving yourself? We have been lead to believe that we need to eat three to six meals a day to be healthy and fit. But the reality is that most people tend to over eat every single day, which leads to a number of health issues. Intermittent fasting is an age-old dieting pattern that allows you to enjoy your favorite food while losing weight. But there are dozens of more benefits to fasting than just weight loss. This book will teach you everything there is to know about fasting, including popular fasting methods and how it can change your life for the better. In this book, you will learn: The History of Intermittent Fasting, The Science that Makes Fasting Work, How Fasting Can Affect Your Hormones, The Benefits of Fasting, The Most Common Myths About Intermittent Fasting, The Research That PROVES Intermittent Fasting Works, And Much Much More. In this book is all of the information you need to know about intermittent fasting. From the great health benefits to just losing weight and eating right, intermittent fasting is the perfect way to achieve your health and fitness goals. Of course, you may not be a doctor or nutritionist, so trusting in yet another diet may make you suspicious of getting real results. Every diet and exercise program promises to change your life and help you become a better and healthier you. But it is hard to tell which program is just a fad or money scheme and which ones are the real deal. Many studies have examined the effects of intermittent fasting for humans and animals. And plenty of evidences have shown that intermittent fasting is the real deal. Now is the time to make a positive change in your life for your family, friends, and for yourself. Intermittent fasting will make you feel and look healthier and help you to live your life to its fullest. If you are ready to begin a new chapter in your life, one that will open doors and give you new opportunities, then download *Intermittent Fasting for Women: An Improved Beginner's Guide to Fast Weight Loss and Effective Fat Burn* now.
