There were other sides to Sarah sides that she preferred people not know much about sides involving Queen Victoria costumes, drinking way too many sodas at one sitting, and that whole ceramic curry serving bowl from 2400 BCE incident which she knew would greatly upset anthropologists all over the world. Here for the first time is the entire story of Sarah Bartlett's life including her children, her husband, her boyfriend, her shoes, her Toyota Cadberry, and her dreams some of them involving picture frames made of cheese some of them involving the Poky Little Puppy, some of them involving Gloria Swanson wearing a miniskirt, a pair of orange flip flops and a T shirt with a picture of Andy Warhol and the phrase Hey look I'm a can of soup on it some of them involving cats with lobster claws for legs and some of them involving copious amounts of Ranch Dressing.
