Motion To Reopen Immigration Sample:

Motion to Terminate Based on Vacated Conviction Brian D. Lerner, 2025-11-28 An order of removal If a criminal conviction is vacated or reduced it allows that person to go back to immigration court and try to either get the deportation order reversed or to become eligible for relief that did not exist prior to the crime being vacated Do you have a deportation order Are you barred from coming back to the U S for either 20 years or even life If you look in our library you will see sample motions to vacate convictions If that is successful you can get your deportation order reversed If you are in removal or deportation proceedings right now and were successful in getting the crime vacated then you can ask for the proceedings to be terminated This means it could be ended or reversed so you are no longer deportable It is actually one of the best ways to regain your legal status The crime itself may have been a result of fear or by the prosecutor telling you untrue facts as to what would happen if you do not plea guilty This means you plead to something you did not understand and did not know how it would affect your immigration status It is the combination of this criminal relief being successful and the prior deportation order or a current order under immigration law that allows the motion to reopen or terminate to be successful There are other reasons also to make a motion to terminate such as a visa number becoming current or an adjustment of status situation where you become eligible or a change in State or Federal law regarding various charges dropped The key here is whether you are an aggravated felon under United States Immigration Laws If you are then you are barred for the rest of your life from coming back to the U S Many times our law firm gets clients both inside the U S or outside the U S It arises in different scenarios 1 A person already had a deportation and has been deported 2 An immigrant in deportation proceedings and needing to fight 3 A person who is in prison serving out their time and close to being transferred to Immigration detention 4 Somebody who is considering taking a plea in criminal court and people who have crimes in their home country wanting to enter the U S In all of these immigration situations it is possible under the right circumstances to make a motion to terminate proceedings if the crime is vacated This sample gives a great place to start While it would be better and more effective to use an experienced attorney it is clear that many times people just do not have the funds to retain an attorney Therefore note that this Motion to terminate removal deportation proceedings based on a vacated conviction is made by an experienced immigration lawyer with nearly 30 years of experience It is real and it was actually submitted The sample Motion to terminate removal deportation proceedings based on a vacated conviction will give lots of great information and a significant amount of information and data that will comply with the requirements Thus if you cannot hire an immigration lawyer to prepare the motion then this is the next best thing Follow it carefully and closely and you will have a real chance of realizing your dream to stay inside the United States Note that the adjudicating officer at USCIS is not your friend or the Consulate Officer at the U S Consulate deciding whether you should get this particular visa or status We certainly hope you find this petition useful and helpful and hope for the best immigration experience you can have We do

have petitions on every subject area of immigration and you might look at those if needed as well If you do need to actually have a consultation you can call our U S Immigration Law office at 562 495 0554 for an initial free consultation to determine what must be done to help you and your family Substantive law chapters. Sharpless,2024-01-16 A rare look at the brute force mechanics of deportation in the United States In December 2017 U S immigration authorities shackled and abused 92 African refugees for two days while attempting to deport them by plane to Somalia When national media broke the story government officials lied about what happened Shackled tells the story of this harrowing failed deportation the resulting class action litigation and two men s search for safety in the United States over

the course of three long years Through Abdulahi's and Sa'id's firsthand accounts immigration lawyer Rebecca A Sharpless brings to life the harsh consequences of the U.S. deportation system and how racism and anti-Blackness operate within it. Sharpless follows the money that ICE funnels into local jails, private contractors, and charter jets, exposing a sprawling system of immigration enforcement that detains and abuses noncitizens at scale. Woven with the wider context of Abdulahi's and Sa'id's stories, this immigration odyssey reveals disturbing truths about Somalia's asylum and the U.S. court system. Shackled will galvanize readers, attorneys, activists, policymakers, and scholars alike to call out and dismantle this brutal infrastructure.
