Dear Financial Aid Committee,

I am writing to formally appeal the financial aid decision regarding my scholarship for the upcoming academic year. My student ID number is 466765.

Due to unforeseen circumstances, my financial situation has changed significantly since I submitted my initial application. Recently, I lost my job due to company downsizing, which has severely impacted my ability to pay for my education.

This change has affected my ability to cover tuition and living expenses, and I am concerned about my continued enrollment at School Inc. Despite these challenges, I remain committed to my studies and maintaining my academic performance, as evidenced by my GPA of 3.8 and my active participation in campus organizations.

I kindly request that you reconsider my financial aid package based on this new information. Any additional support you can provide would greatly assist me in achieving my educational goals.

Thank you for your time and consideration. I hope for a favorable response and am willing to provide any further documentation if needed.

Sincerely,

[Your Name]
