## **Mothers Bound And Gagged Stories:**

*Growing Into Life* David Seabury, 1928      **Resistance Behind Bars** Victoria Law, 2012-10-05 In 1974 women imprisoned at New York's maximum security prison at Bedford Hills staged what is known as the August Rebellion. Protesting the brutal beating of a fellow prisoner, the women fought off guards, holding seven of them hostage and took over sections of the prison. While many have heard of the 1971 Attica prison uprising, the August Rebellion remains relatively unknown, even in activist circles. *Resistance Behind Bars* is determined to challenge and change such oversights. As it examines daily struggles against appalling prison conditions and injustices, *Resistance* documents both collective organizing and individual resistance among women incarcerated in the U.S. Emphasizing women's agency in resisting the conditions of their confinement through forming peer education groups, clandestinely arranging ways for children to visit mothers in distant prisons, and raising public awareness about their lives, *Resistance* seeks to spark further discussion and research into the lives of incarcerated women and galvanize much-needed outside support for their struggles. This updated and revised edition of the 2009 PASS Award-winning book includes a new chapter about transgender, transsexual, intersex, and gender variant people in prison.

*Inside the Mind of BTK* John E. Douglas, Johnny Dodd, 2008-09-02 A dramatic and compelling true crime psychological thriller. This incredible story shows how John Douglas tracked and participated in the hunt for one of the most notorious serial killers in U.S. history. For 31 years, a man who called himself BTK (Bind Torture Kill) terrorized the city of Wichita, Kansas, sexually assaulting and strangling a series of women, taunting the police with frequent communications and bragging about his crimes to local newspapers and TV stations. After disappearing for nine years, he suddenly reappeared, complaining that no one was paying enough attention to him and claiming that he had committed other crimes for which he had not been given credit. When he was ultimately captured, BTK was shockingly revealed to be Dennis Rader, a 61-year-old married man with two children.

**Fifty-two stirring stories for girls, by L.T. Meade and other writers, ed. by A.H. Miles** Alfred Henry Miles, 1900      *Beyond Bondage* David Barry Gaspar, Darlene Clark Hine, 2010-10-01 Emancipation, manumission, and complex legalities surrounding slavery led to a number of women of color achieving a measure of freedom and prosperity from the 1600s through the 1800s. These black women held property in places like Suriname and New Orleans, headed households in Brazil, enjoyed religious freedom in Peru, and created new selves and new lives across the Caribbean. *Beyond Bondage* outlines the restricted spheres within which free women of color, by virtue of gender and racial restrictions, carved out many kinds of existences. Although their freedom represented by respectability, opportunity, and the acquisition of property always remained precarious, the essayists support the surprising conclusion that women of color often sought and obtained these advantages more successfully than their male counterparts.

*Sexual Surrogate* Heather Hill, John Austin, 1976 More than half of all American couples are dissatisfied with their sex lives. Yet few know that effective professional help is available. As early as the 1950s, Masters and Johnston demonstrated that such common sexual problems

as impotence and frigidity could be alleviated by using paid sex partners as part of a carefully planned therapeutic program But the public remains skeptical In her ten years as a sexual surrogate Heather Hill who is licensed as a sex counselor by the city of Los Angeles has grown to expect skepticism but has not yet become resigned to it Aren t you really just a high priced called girl is a frequent question This book is her reply While it is true that she sometimes functions as a paid sexual partner Hill sees her role as much broader and more professionally based than that Essentially it s a therapeutic one The cases described in Sexual Surrogate range from the familiar to the bizarre Heather Hill s moving account of how she helps troubled men and women who come to her is at once disturbing and reassuring but it is always fascinating book jacket Amok Journal Stuart Swezey,1995 Subtitled A Compendium of Psycho Physiological Investigation what you get in the Amok Journal s SENSURROUND EDITION is a collection of reports articles and general research on autoerotic fatalities trepanation Gualtiero Jacopetti cargo cults Neue Slowenische Kunst self mutilation and amputee fetishism infrasound and a collection of true emergency room reports called Psych Out All of the material presented here is true Some of it seems unbelievable but all the reports here are covering behaviors that these people were engaging in willingly even some of the fatal ones for the purpose of having some sort of heightened sensory experience Nearly all of this behavior does NOT involve drugs focusing more on altered experience through altered body state Not for the easily squeamish Despite the extreme subject matter this volume is highly intelligent and an amazing psychological peek into the fringes of human experiences **Sexual Dynamics of Anti-social Behavior** Louis B. Schlesinger,Eugene Revitch,1997 Media Report to Women ,1994 **Houdini** Bernard C. Meyer,1976 *Wife No. 19, Or, The Story of a Life in Bondage* Ann Eliza Young,1876 Women and the Comics Trina Robbins,Catherine Yronwode,1985 Women and the Comics is the first attempt to document the careers of the hundreds of women who have created and worked in the field of comic strips comic book and cartooning The women whose work is showcased in this book have been long overlooked or ignored by most other histories of comics In this volume you ll encounter the art of Rose O Neill whose Kewpies popularity spans over 70 years Nell Brinkley whose Brinkley Girl was just as famous in her day as Gibson s Grace Drayton whose lovely drawings gave the Campbell Kids life the flapper artists of the 1920s Dale Messick creator of Brenda Starr Martha Orr who originated Mary Worth the once anonymous female comic book artists of the 1940s newspaper strip creators Marty Links Bobby Sox Cathy Guisewite Cathy and Lynn Johnston For Better or For Worse and the many women who write and draw today s most popular comic books A special chapter surveying female cartoonists in Europe Japan and Australia is also included Women and the Comics is a landmark book the result of four years of research by Catherine Yronwode and Trina Robbins It is a reference source designed to serve future generations interested in discovering the contributions women have made to America s most popular art form *Humanities in Society* ,1984 Women and Religion: Feminist effects Pamela Edith Klassen,Shari Golberg,Danielle Lefebvre,2009 This collection is an essential research tool for all students specializing in religion and women s studies and is equally useful to those
