

Mountain Hands

A Portrait of Southern Appalachia

Sam Venable - Photographs by Paul Efird

Mountain Hands Portrait Southern Appalachia

Rudy Abramson,Jean Haskell

Mountain Hands Portrait Southern Appalachia:

Mountain Hands Sam Venable, 2000 Hazel Pendley creates heirloom quality quilts Ed Ripley wraps bits of fur and feathers into trout flies the size of gnats Edna Hartong still makes an item that has all but disappeared from the American scene lye soap All of these people and many more like them are Appalachians who work with their hands Journalist Sam Venable and photographer Paul Efird spent four years combing the hills and hollows of Southern Appalachia to find these talented individuals and let them talk about their work Mountain Hands is an intimate look at more than three dozen such craftspeople and their vocations Venable and Efird encountered folks who pursue popular crafts such as basketweaving and clockmaking But they found practitioners of other trades wallpaper hangers and rail splitters beekeepers and gravediggers whose work also depends upon dexterity and upon expressing a distinctive Appalachian way of life Some are college educated some can barely read and write some have lived in these hills all their lives others have only recently come to call them home Yet each feels bound to the region through a deep sense of belonging and each owes at least part of his or her livelihood to handwork While most of us may think of working with one's hands as entering computer data these individuals attest to the perseverance and appeal of more traditional ways Mountain Hands is a celebration in words and photographs of gifted people who understand and appreciate the Appalachian heritage and who live it every day

The Author A fifth generation southern Appalachian Sam Venable is a newspaper columnist whose award winning observations on daily life appear four times a week in the Knoxville News Sentinel A graduate of the University of Tennessee Venable has spent most of his career roaming the highlands of his home state He and his wife Mary Ann also a Tennessee native and UT graduate live in a log house atop a wooded ridge on the outskirts of Knoxville The Photographer Paul Efird is a native of Rome Georgia He holds a degree in biology from Shorter College but has spent his professional career as a news photographer After working for two newspapers in Georgia he moved to Tennessee in 1990 and became a staff photographer for the News Sentinel Efird is an avid hiker canoeist and backpacker He and his wife Stephanie live in Knoxville

Appalachian Folkways John B. Rehder, 2004-07-12 Winner of the Kniffen Award and an Honorable Mention from the Professional and Scholarly Publishing Awards in Sociology and Anthropology Appalachia may be the most mythologized and misunderstood place in America its way of life and inhabitants both caricatured and celebrated in the mainstream media Over generations though the families living in the mountainous region stretching from West Virginia to northeastern Alabama have forged one of the country's richest and most distinctive cultures encompassing music food architecture customs and language In Appalachian Folkways geographer John Rehder offers an engaging and enlightening account of southern Appalachia and its cultural milieu that is at once sweeping and intimate From architecture and traditional livelihoods to beliefs and art Rehder who has spent thirty years studying the region offers a nuanced depiction of southern Appalachia's social and cultural identity The book opens with an expert consideration of the southern Appalachian landscape defined by mountains rocky soil thick forests and

plentiful streams While these features have shaped the inhabitants of the region Rehder notes Appalachians have also shaped their environment and he goes on to explore the human influence on the landscape From physical geography the book moves to settlement patterns describing the Indian tribes that flourished before European settlement and the successive waves of migration that brought Melungeon Scotch Irish English and German settlers to the region along with the cultural contributions each made to what became a distinct Appalachian culture Next focusing on the folk culture of Appalachia Rehder details such cultural expressions as architecture and landscape design traditional and more recent ways of making a living both legal and illegal foodstuffs and cooking techniques folk remedies and belief systems music art and the folk festivals that today attract visitors from around the world and the region's dialect With its broad scope and deep research Appalachian Folkways accurately and evocatively chronicles a way of life that is fast disappearing

Encyclopedia of

Appalachia Rudy Abramson, Jean Haskell, 2025-12-08 Winner of the W D Weatherford Award Appalachian Studies Association Outstanding Contribution to Appalachian Literature Award Appalachian Writers Association and Award of Distinction East Tennessee Historical Society Appalachia holds a curious place in the American psyche There is a pervasive perception of the region as a hinterland inhabited by a backward and developmentally stunted people Economically culturally and technologically suspended in an era gone by this Appalachia is regarded as one of America's enduring social and economic problems But there is another perception of Appalachia home to the beautiful mountain system for which the region is named It is a quaint retreat into the past reflecting the integrity of a people with a pioneering spirit and lifestyle that pays homage to a simpler time Until now there has been no general reference work that captures the complexities of this enigmatic region The only guide of its kind the Encyclopedia of Appalachia is replete with information on every aspect of Appalachia's history land culture and people Containing more than 2 000 entries in 30 sections the Encyclopedia is designed for quick reference and access to the information you need to know Teachers students scholars historians and browsers with a passing interest in this beautiful and richly distinct region will quickly come to rely on the Encyclopedia of Appalachia as the authoritative resource on Appalachia's past and present The Encyclopedia details subjects traditionally associated with Appalachia folklore handcrafts mountain music foods and coal mining but goes far beyond regional stereotypes to treat such wide ranging topics as the aerospace industry Native American foodways ethnic diversity in the coalfields education reform linguistic variation and the contested notion of what it means to be Appalachian both inside and outside the region

Researched and developed by the Center for Appalachian Studies and Services at East Tennessee State University this 1 840 page compendium includes all thirteen states that constitute the northern central and southern subregions of Appalachia from New York to Mississippi With thorough detailed yet accessible entries on everything from Adventists to zinc mining the Encyclopedia of Appalachia is an indispensable one stop guide to all things Appalachian

Hazel Creek Walt

Larimore, 2012-03-13 In a new novel from award winning author Walt Larimore a loving rural family struggles to survive

tragedy and cope with the invasion of modern ways in the 1920s In the Great Smoky Mountains wilderness in 1925 Nathan and Callie Randolph with their five unique daughters struggle to maintain their farm forests family and faith against a menacing business and an evil company manager trying to pilfer their land and clear cut their forest As loggers invade the mountains death touches the family and hardship and loss confront them again and again fifteen year old Abbie Randolph becomes mother to her sisters and leans on her faith to guide her through the emotional wilderness of changing times With the march of the industrial age the roaring twenties Prohibition the increasing momentum for national parks and the onslaught of a modern world the traditional life and ways of the mountaineers were about to change forever Featuring a cast of colorful characters including independent and earnest mountain families a murderous lumber company manager Cherokee Indians a band of gypsies desperados lumbermen moonshiners a world famous writer and Civil War heroes Hazel Creek reveals a gripping struggle of good and evil during an eruption of violence A beloved family physician Walt Larimore is the perfect author for this novel of love loss and injury that illuminates the enduring power of faith [Tennessee Log Buildings](#)

John B. Rehder, 2012-12-30 Drawing on more than four decades of research Tennessee Log Buildings examines one of the Volunteer State's most precious and fast disappearing traditions From the pioneer era through the mid twentieth century folk builders in Tennessee used logs to construct cabins barns other outbuildings schools and churches In warm accessible prose that often makes this deeply researched work read like guidebook John Rehder explores the varied styles and architectural characteristics of these fascinating structures including their floor plans the types of timber used and the different notches that were cut into the logs to secure the structures Profusely illustrated with over one hundred images Tennessee Log Houses traces the evolution of log houses from one room or single pen dwellings to more elaborate homes of various types such as saddlebags Cumberland houses dogtrot and two story I houses Rehder discusses the historic settlement patterns and building traditions that led to this variety of house types and identifies their particular occurrences throughout the state by drawing on surveys conducted in forty two counties by teams working for the Tennessee Historical Commission THC Similarly he explores disparate barn and outbuilding types including the distinctive cantilever barns that are found predominantly in East Tennessee Sprinkled throughout the book are engaging anecdotes that convey just what it is like to conduct field research in remote rural areas Rehder also describes in detail a number of the state's exceptional log places among them Wynnewood an enormous structure in Middle Tennessee which dates back to the early nineteenth century and which suffered severe tornado damage in 2008 As the author notes many of the buildings originally identified in the THC investigations have now vanished completely while others are in serious disrepair Thus this book not only offers an instructive and delightful look at a key part of Tennessee's heritage but also makes an eloquent plea for its preservation Until his death in 2011 JOHN B REHDER was a professor of geography at the University of Tennessee Knoxville He first joined the UT faculty in 1967 He was the author of Appalachian Folkways which won the Pioneer America Society's Fred B Kniffen Book

Award in 2004 and Delta Sugar Louisiana's Vanishing Plantation Landscape which won the Vernacular Architecture Forum's 2000 Abbott Lowell Cummings Award **Sugar Fork** Walt Larimore, 2012-10-02 In 1925-1926 in the Sugar Fork Valley of the Great Smoky Mountains wilderness Nate Randolph and his five unique daughters wrestle to survive after the death of Callie his wife and their mother as well as to maintain their farm forests family and faith against an evil lumber company manager seeking to clear cut their virgin woodland **Appalachian Heritage**, 2001 Journal of Appalachian Studies, 2001 *A History of Tennessee Arts* Carroll Van West, 2004 This illustrated book cosponsored by the Tennessee Arts Commission and the Tennessee Historical Society covers the varieties of art in Tennessee in five parts The visual arts and architecture section includes chapters on vernacular and high style architecture sculpture painting and photography while the section on craft arts celebrates folk arts such as woodcraft silversmithing pottery and textiles The section on Tennessee's rich literary history includes such writers as James Agee Robert Penn Warren and Evelyn Scott while the performing arts are represented by a wealth of storytellers along with two centuries of stage history Finally Tennessee is home to and originator of much of the music that we know as distinctively American Contributors to the music section examine gospel blues rock soul and of course country music **BOOK JACKET** **America, History and Life**, 2002 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide *Cemeteries and the Life of a Smoky Mountain Community* Gary S. Foster, William E. Lovekamp, 2019-07-04 In one of the few studies to draw upon cemetery data to reconstruct the social organization social change and community composition of a specific area this volume contributes to the growing body of sociohistorical examinations of Appalachia The authors herein reconstruct the Cades Cove community in the Great Smoky Mountains of Tennessee USA a mountain community from circa 1818 to 1939 whose demise can be traced to the establishment of the Great Smoky Mountains National Park By supplementing a statistical analysis of Cades Cove's twenty seven cemeteries completed as a National Park Study GRSM 01120 with ethnographic examination the authors reconstruct the community in detail to reveal previously overlooked social patterns and interactions including insight into the death culture and death lore of the Upland South This work establishes cemeteries as window into proxies of communities demonstrating the relevance of socio demographic data presented by statistical and other analyses of gravestones for Appalachian Studies Regional Studies Cemetery Studies and Sociology and Anthropology **Tennessee Historical Quarterly**, 2001 University Press Books Selected for Public and Secondary School Libraries, 2001 **The North Carolina Historical Review**, 2002 **Now and Then**, 2001 **Writer's Guide to Book Editors, Publishers and Literary Agents, 2002-2003** Jeff Herman, 2001-07-10 This one of a kind reference provides critical information on securing publishing contracts **Southern Student's Hand-book of Selections for Reading and Oratory** John Garland James, 1879 **Wildflowers of the Southern Appalachians** Kevin Adams, Marty Casstevens, 1996 Comprehensive guide to identifying and photographing over 300 of the region's wildflowers Each listing

includes a full color photograph a detailed description and photography techniques
