A Conservative Christian Reviews the Greatest Movies Ever Made George McManus, 2003-07 *Hindi Film Songs and the Cinema* Anna Morcom, 2017-07-05 Since their beginnings in the 1930s Hindi films and film songs have dominated Indian public culture in India and have also made their presence felt strongly in many global contexts Hindi film songs have been described on the one hand as highly standardized and on the other as highly eclectic Anna Morcom addresses many of the paradoxes eccentricities and myths of not just Hindi film songs but also of Hindi cinema by analysing film songs in cinematic context While the presence of songs in Hindi films is commonly dismissed as purely commercial this book demonstrates that in terms of the production process musical style and commercial life it is most powerfully the parent film that shapes and defines the film songs and their success rather than the other way round While they constitute India's still foremost genre of popular music film songs are also situational dramatic sequences inherently multi media in style and conception This book is uniquely grounded in detailed musical and visual analysis of Hindi film songs song sequences and films as well as a wealth of ethnographic material from the Hindi film and music industries Its findings lead to highly novel ways of viewing Hindi film songs their key role in Hindi cinema and how this affects their wider life in India and across the globe It will be indispensable to scholars seeking to understand both Hindi film songs and Hindi cinema It also forms a major contribution to popular music popular culture film music studies and ethnomusicology tackling pertinent issues of cultural production multi media and the cross cultural use of music in Hindi cinema The book caters for both music specialists as well as a wider audience *The 100 Greatest Movies of All Time* Ty Burr, Peter Bonventre, 1999 Lists the 100 greatest movies ever made as chosen by the staff of Entertainment Weekly magazine **Taking Your iPad to the Max** Erica Sadun, Michael Grothaus, Steve Sande, 2010-12-31 It looks different It acts different There's no right way to hold it It responds to the touch of your fingertips It's the Internet in your lap It connects to the world yet it is as personal as a well worn book Taking Your iPad to the Max is written so that anyone from a computer savvy teenager to a 92 year old great grandmother can quickly get up to speed on Apple's latest hit As bloggers at The Unofficial Apple Weblog tuaw.com we have the happy privilege of working with Apple products every day The iPad is so different from any computer you've ever used and we realize many people could use a helping hand to feel comfortable buying and using an iPad We take you from selecting and buying an iPad to connecting it to the Internet and then demonstrate just how to use the incredible power of the iPad and all its apps to enhance your life Whether you're using your iPad to surf the Internet admire family photos listen to music watch movies or read a book we're here to guide you We show you how your iPad can be a virtual shopping mall opening the door to purchases of music books videos and movies We help you organize your daily life through the use of Calendar Notes and Contacts communicate with friends and colleagues with Mail and find your way with Maps The iPad is more than the ultimate leisure device it's also a work tool Taking Your iPad to the Max guides you through the basics of Apple's iWork suite for iPad
